Championship 1 - St. Louis

SCORING

1. Best of two tiebreak sets with a 10-point Match Tiebreak in lieu of a 3rd set.
2. Match Tiebreak (10 Points, Win by 2): When the score in an individual match is one set all, a Match Tiebreak shall be played in lieu of a 3rd set (Coman Tiebreak). This tie-break game replaces the deciding final set. The player/team who first wins ten points (win by two) shall win this match tiebreak and the match. If the score goes to 9-9 and beyond, players continue to play until there is a winning margin of 2 points (i.e. 11-9, 12-10, 15-13, etc).
3. Two minute rest between 1st & 2nd set and between 2nd & 3rd set match tiebreak (Coman Tiebreak).

Coman Tiebreak procedures apply to all tiebreak sets including the Match Tiebreaker. First team serves one time, followed by two serves for each team thereafter. Change sides after the first serve and then after every four points thereafter. (Note: Easy way to remember in doubles is that each player will serve from the same side).

TIEBREAK PROCEDURE TO DETERMINE STANDINGS

For Section and National Championships, in which there is a tie, the tie shall be broken by the first of the following procedures that does so.

1. Individual Matches. Winner of the most individual matches in the entire competition.
2. Head-to-Head. Winner of head-to-head match only if all tied teams have played each other and one team defeated all the teams that are tied.
3. Sets. Loser of the fewest number of sets.
4. Games. Loser of the fewest number of games.
5. Game Winning Percentage: Total games won divided by total games played
6. A method to be determined by the championships committee. Procedure to be announced prior to commencement of championship competition.

The computer breaks as many ties as possible using a given step before using the next step until the order of finish is determined.

NO DEFAULT COMPETITION

If you default a court – it's defaulted throughout the entire round robin in which the default occurred.
