HOME FACILITY:

A team number will be e-mailed back to the captain for players to register on a team.

B. Team Registration cut-off is February 7th, **at midnight**.

Each team must have at least 4 players on the roster by February 7th to qualify for scheduling; otherwise, the team will be considered ineligible for scheduling and will be deleted.

USTA LEAGUE TENNIS

the original schedule. Only if a completely new schedule is generated, as defined by the local coordinator, can that date possibly change.

NOTE: In order to play, a player must be registered on the team's TennisLink roster before the start of a match. To be eligible, a player must have a valid NTRP (computer rated or self-rated) and a valid USTA membership number.

4. SCHEDULING:

- A. Schedules should be finalized by February 24th. League matches will begin approximately March 1st.
- B. Any group level may be split into 2 or more flights, if deemed necessary for scheduling purposes.
- C. Leagues of 3 or more teams are guaranteed a minimum of 8 matches. The schedule for leagues consisting of 2 teams will be coordinated with the captains to ensure enough matches are played to qualify all players for championship play.
- D. The LaFortune Tennis Center is a neutral playing site. Home matches from any other club may be scheduled at this facility, if necessary, to ensure timely completion of all matches. Once a match has been scheduled at the neutral site, it cannot be moved to the home team's facility, except if cancelled due to inclement weather.
- E. Home matches may be scheduled at the visitor's facility, if necessary, to ensure timely completion of all matches.

5. PLAYER FEES:

The player fee for registering on a team will be \$48.60 before TennisLink fee.

6. ON LEVEL PLAYER REQUIREMENTS:

All teams in the Adult 18 & over or 40 & Over Divisions must maintain their roster with at least 40% of its players at the designated NTRP level of play (2.5 – 5.0). On-level player requirements use combined NTRP rating levels for Mixed Leagues or 55 & Over Leagues.

7. PLAYING UP A LEVEL:

A player may play only one NTRP level (0.5) above his or her published self-rate or computer rating.

8. MAXIMUM NUMBER OF PLAYERS ON A TEAM:

10. TEAM COMPOSITION:

- A. The format for adult 18 & over matches will be two singles courts and three doubles courts, except for levels 2.5 and 5.0 the format will be one singles court and two doubles.

- C. The format for Adult 55 & Over, Mixed 18 & Over and Mixed 40 & Over will be three doubles courts.
- D. All two team leagues, in any division except 65 & over, must have two viable teams participating, including any combination rating league types. No accommodation matches will be created for local league advancement. “Viable” would mean a minimum number of combination rated players to fill court formation. EX: 3 courts of 9.0 combination doubles, minimum, to participate in Adult 55+ & Over 9.0 league. (Section)
- E. Not more than two (2) players from outside the district may play on a local team.
- F. A team must have more than half of its players residing in the local area of the league unless there are only 2 teams in the league (1 from Tulsa and 1 from OKC).

11. CHECK NTRP RATING:

Captains and players are responsible for checking NTRP ratings and ensuring that all players for each match are eligible to play. An ineligible player results in individual match disqualification for that court.

For combo teams, there may not be more than a two-level (1.0 point) difference between partners on the court. For example, a 4.5/3.5 may partner on an 8.0 team but 4.5/3.0 may not.

12. REPORTING SCORES:

Within 48 hours of the meet, the **winning captain/designee** must enter the score in TennisLink. The opposing captain/designee must confirm or dispute scores entered within 48 hours of match time or the scores will be confirmed automatically by TennisLink and a dispute may not be filed. When a score is disputed, follow the procedure set forth in rule 14 below.

Failure to report scores within 96 hours after completing the match may result in a Double Default on all courts. The 96 Hour Rule will be enforced unless the District League Coordinator approves a valid reason for delaying score entry.

13. DISPUTED SCORES:

When a score is disputed, the League Coordinator and the opposing captain should be immediately notified of the discrepancy, via email. The opposing captain must respond and either approve/reject the requested change. The dispute originator will follow up with the other captain if a response is not received within a reasonable amount of time.
