

A USTA MISSOURI VALLEY SPORTSMANSHIP INITIATIVE

We are thrilled to announce the launch of the SuperSport campaign, a new initiative by USTA Missouri Valley in collaboration with the Match Tennis App that promotes sportsmanship in tennis tournaments. The campaign aims to cultivate a positive environment for all participants, regardless of their age or level of play. As part of the initiative, a SuperSport Sprint will be held in 2024, with the winner earning a Grand Prize trip for two to the 2024 US Open. Additionally, prizes will be awarded monthly and semi-annually to players who receive sportsmanship nominations. For more information, please read the details below.
