## 2022 BONUS POINT INFORMATION

Bonus Points are earned at Ranking Tournaments for significant wins in singles over top 500 players according to the table below. Bonus Points are earned for wins in main draw, consolation draw, and qualifying draw matches. At Level 1 through Level 7 tournaments, Bonus Points are “attached” to the tournament at which they are earned. If a tournament total is not among a player’s best six tournaments, neither the Points Per Round nor the Bonus Points will count toward the player’s Ranking Point total. Additionally, eligible juniors winning matches against other eligible juniors in the main draw and qualifying rounds at the Bonus Point Only Events (Australian Open Juniors, French Open Juniors, Wimbledon Juniors, and Canadian International Juniors) will receive Bonus Points in the 18s division according to the Bonus Points table below. These Bonus Points will be awarded independent of the best six tournaments and will be added to the player’s total points earned in the player’s best six tournaments.

The USTA publishes monthly Bonus Point Lists that list the players that, if defeated, will earn the winner Bonus Points. Bonus Point Lists have the same requirements and criteria as the National Standings Lists. The following table shows the publication dates for the year’s Bonus Points Lists, the match results included in each Bonus Point List, and the dates during which each list is used.
