

USTA Adult Tournaments Ranking System

Effective as of January 1, 2025

The USTA has developed a nationwide competitive system that brings uniformity across all 17 sections and combines it into one, simplified structure. This model introduces new levels ranging from Level 7 events to Level 1 events with specific draw formats contained within each level. Please note that we have removed the Round Robin (No Playoff), Round Robin Preliminary Rounds & SE Draw of 4 Playoff, and the Round Robin Preliminary Rounds & SE Draw of 8 Playoff point tables and will now use the Robin with or without Single Elimination Playoff table that is in Blue.

The draw format options below can be offered, keeping in mind that not all options are available at all levels. The types of draw formats are listed below and also color-coded to easily find corresponding point tables.

Per USTA Adult & Family Tournament Regulations, all players must win one main draw match to earn ranking points. For Round Robin and Round Robin into Playoffs, players must win at least one match in order to earn ranking points.
