Single Elimination Main Draw or Main Draw with a Non-Feed-in Championship Consolation

Non-Feed-In Championship Consolation Formats Include: First Match Losers Consolation (FMLC); First Round Losers Consolation (FRLC); Modified Feed-in Championship (MFIC); Compass Draw

This Point Table is used, for example, for the Compass Draw singles events at all USTA Boys' & Girls' 14 & 12 National Championships (Level 1), the USTA National Sweet Sixteen (Level 1A) and the USTA National Doubles Championships (Level 1). It is also the table used for all single elimination doubles events at USTA National Championships (Level 1), USTA National Selection Tournaments (Level 2), USTA Regional Tournaments (Level 4), the Easter Bowl (Level 1A) and the Warm Up Tournaments (Level 3). The singles elimination ITF events that count for national ranking also use this table. The table may also be used at one of the tournaments that are designated by each Section as National Ranking Tournaments.

Ranking Points are earned based on the player result in the main draw and the number of consolation matches won. Any Bonus Points earned are added to this total. Withdrawals, walkovers, retirements, defaults, and disqualifications count as wins; byes do not count as wins. A player must win a round to receive Ranking Points in a tournament.

Compass Draw Examples: The players who advance in the East Draw earn the Main Draw ranking points. Wins in all other draws earn the points for winning consolation rounds. For example, at a USTA National Championship, a Level 1 tournament, a player who loses their first round, but then wins three non-East Draw matches earns:

0 points (from East Draw)
 +360 points (for 3 consolation wins - 120 points x 3)
 =360 total Ranking Points for the tournament

Non-Compass Draw Examples: The champion receives the Ranking Points in the champion row. A player who reaches the Round of 16 and then wins one consolation match receives the Ranking Points in the Reached Round of 16 row plus the points earned for winning one consolation round. In a Level 2 National Ranking tournament this would be:

210 points (from Round of 16 finish in main draw)
 + 60 points (for 1 consolation win)
 = 270 total Ranking Points for the tournament
