

Below are the points per round tables for Adult National Ranking Points. Points are calculated by where a player reaches in the draw. Byes do not count as wins. No points are earned unless a player advances in the tournament by a win, walkover, or default. For more information about USTA Adult National Rankings, please see the [2017 Friend at Court under section E on page 135](#).

Team Event Points Per Round Table

Position Played	Points Per Match			
	(1x)****	(2x)***	(4x)**	(5x)*
1	33	66	132	166
2	27	53	106	133
3	20	40	80	100
4+	12	23	46	58
Max Points	100	200	400	500

The 5x table is used for the National Women's Intersectional Team Event, which has 3 or 4 matches per position.

A player who plays at more than one position can end up with points in between the lowest and highest position she plays.

**Open or Closed Intersectional Events with 10 or more sections represented in the event (not in each age division): 5x*

*** Open or Closed Intersectional Events with 6 to 9 sections represented in the event (not in each age division): 4x*

**** Open or Closed Intersectional Events with 3 to 5 sections represented in the event (not in each age division): 2x*

*****All other: 1x*
