

USTA Eastern Adult Qualifications for 2019 NTRP National Championships

Men and women in each age division offered may be endorsed by the section in singles or doubles. The Eastern Section has been allotted **two spots** in each age division.

The NTRP rolling standing lists published on January 15th will determine which players qualify.

To qualify for a spot, a player must:

- Be a current USTA member
- Be an Eastern resident
- Have played in at least one NTRP tournament in the Eastern section within the last 12 months prior to the 1/15/19 rolling list.
- Be age eligible in the divisions being offered
- Meet all NTRP validation requirements
- Be in good standing with the section.

Self-raters are not eligible. Please [click here](#) to familiarize yourself with the NTRP validation.

Alternates

If a qualified player cannot play the National Championships, the next highest ranked, age-eligible player will be chosen until the spot is filled.

Questions can be sent to Sarah Lannon at Lannon@eastern.usta.com
