## **USTA Eastern Adult Qualifications for 2018 NTRP National Championships**

There will be two age divisions for NTRP Nationals: 18-and-over and 50-and-over. Men and women in each age division will be competing in the 3.5, 4.0 and 4.5 levels in singles or doubles. The Eastern Section has been allotted **two spots** in each age division.

The NTRP rolling standing lists published on Feb 15<sup>th</sup> will determine which players qualify.

To qualify for a spot, a player must:

- Be a current USTA member
- Be an Eastern resident
- Have played in at least one NTRP tournament in the Eastern section within the last 12 months
- Be age eligible in the divisions being offered
- Meet all NTRP validation requirements
- Be in good standing with the section.

**Self-raters are not eligible. Please [click here](#) to familiarize yourself with the NTRP validation.**

### Alternates

If a qualified player cannot play the National Championships, the next highest ranked, age-eligible player will be chosen until the spot is filled.
