

# **2021 Local Rules and Regulations**

## **GOVERNING RULES**

USTA Adult leagues are divided into layers of organization: National, Sectional (Eastern), Regional (Long Island), District, and then Divisions. Three levels of rules apply: The USTA League Tennis Regulations (National), the USTA Eastern rules (Section), and the Local Rules (Region). In addition, the USTA Code of Conduct applies. The local rules are to be read in a manner consistent with the Section and National rules whenever possible and are not intended to supplant those rules. The local rules are intended to identify only the most essential portions of the National and Section rules and only depart from those rules (available at [2020 National and Eastern Regulations](#)) as authorized by the USTA. For the purposes of local leagues, players should refer to the appropriate section (The Code) in "[2020 Friend At Court](#)" for unofficiated matches.

Clerical error should not determine the outcome of a league. SLC has authority to determine how an affected match will be corrected.

### **A. Rosters/Player Eligibility:**

1. A minimum of 8 eligible players (18&Over Adult Division 3.0, 3.5, 4.0, and 4.5) or 5 eligible players (Adult Division 2.5, 5.0) or 7 eligible players (40&Over Adult Division) or 6 eligible players (Adult Division 55&Over, 65&Over or Tri-Level and Mixed Division 18&Over or 40&Over) at each level of championship play must participate.
2. In Long Island, the maximum roster size for Adult 18&Over, Adult 40&Over, Adult 55&Over, 18&Over Mixed and 40&Over Mixed is 22 players. The Local League Coordinator may authorize the addition of players due to season ending circumstances.
3. Adult 18&Over and 40&Over leagues require a minimum of 75% at NTRP level except for two team leagues which require 50%. Minimum percentage level does not apply to any combined leagues, 55&Over and 65&Over.
4. Players must be 18 years of age prior to participating in the USTA League program. For older age groups, each player over the age of 18 shall have reached the required minimum age prior to or during the calendar year in which such player participates in his or her first local league.
5. All players must register through Tennis Link at [www.tennislink.usta.com/leagues](http://www.tennislink.usta.com/leagues). All participating team members must be registered prior to playing in a match. If an unregistered player participates in a match, all point(s) won on that court shall be reversed.
6. A player(s) may be added to a team within the local league season by a specified date given by the league coordinator at the start of that season. Roster additions after these dates will require approval of the Local League Coordinator.
7. Requests for a registration refund or transfer to another team must be made by the league registration deadline. Only registrants who have not played any matches can be refunded or transferred.
8. A player may play on only one team in an NTRP level within an Age Group in the same local league during the same season. In local leagues where NTRP levels are divided into flights, a player may not play in more than one flight.

9. Captains should verify a player's level of play and background before the player "self rates". **Neglect of this responsibility is grounds for removal of a captain and possible suspension from league play.**

## **B. Matches:**

1. Match format by level:
  - 18&Over 2.5, 5.0 = 3 courts
  - 18&Over 3.0, 3.5, 4.0, 4.5 = 5 courts
  - 40&Over = 4 courts
  - 55&Over = 3 courts
  - 65&Over = 3 courts
  - All Mixed = 3 courts
2. Each League shall consist of a minimum of two (2) teams. Any leagues consisting of two teams must play a minimum of five (5) matches. Three team leagues must play a minimum of six (6) matches.
3. The match format for all local, area, district, and regional matches will be best 2 out of 3 sets with a match tie break in lieu of a 3<sup>rd</sup> set. All matches will utilize regular scoring, and a set-tiebreak (first to 7 by 2 points) at 6-all in each set. In the event of split sets, a match tie-break (first to 10 by 2 points) must be played in lieu of a third set. The tiebreak shall be scored as 1 set and 1 game for tiebreak procedures. The final third set score will be entered as 1-0 for the winning team. All tiebreaks (set & match) should follow "Coman" tiebreak procedure for switching sides (switch after 1<sup>st</sup> point...then every 4 points thereafter - 5, 9, 13, etc.) Play must be continuous throughout the match.
4. The team captain for each team shall exchange their team line-up simultaneously prior to the beginning of the team match. If, after the scorecards have been exchanged but prior to the first point of an individual match being played, a player becomes unable to play due to injury, illness or disqualification, a substitution may be made using a rostered player. No other player changes are allowed for unplayed matches on that scorecard.
5. Teams are encouraged to field their players for each team match in order of strength. Local regulations may require a point system for scorekeeping to discourage stacking.
  - Point System for 18 & Over 2.5 & 5.0 is 1st singles 2 pts, 1st doubles 2 pts, 2nd doubles 1 pt
  - 18 & Over 3.0-4.5, 1st singles 5 pts, 2nd singles 4 pts, 1st doubles 6 pts, 2nd doubles 4 pts, 3rd doubles, 3 pts.
  - 40 & Over 3.0-4.5, 1st singles 5 pts, 1st doubles 6 pts, 2nd doubles 4 pts, 3rd doubles, 3 pts
  - 55 & 65 & Over, 1st doubles 5 pts, 2nd doubles 4 points, 3rd doubles 3 pts.
  - Mixed Doubles, same as 55 & Over
6. There is a fifteen-minute default rule (inclusive of warm up time) in effect for all local matches. The opposing captain has the discretion to extend the default time and play the match if it is possible to do so. All late players are guaranteed a 5-minute warm up, and NO POINT PENALTY is allowed for a late player. In extenuating circumstances, a captain can reach out to a league coordinator regarding lateness, and the League Coordinator has the ability to extend the default time if deemed necessary. For staggered matches, a team cannot

claim a default unless a court has been available to play for 15 minutes, and the opposing players are at least 15 minutes later than the agreed upon arrival time.

7. A 10-minute warm-up, including serves, is permitted before the match begins.
8. Cell phone use on the court is considered a deliberate potential hindrance. Turn off phones.
9. The match officially starts when play of the first point is begun. In the event of a rain or a stoppage of play due to circumstances beyond the control of the players, completed individual matches will stand as played. An incomplete match shall be continued by the same players and resumed at the exact point - set, game, point - when play was halted. If players (s) are unavailable to continue the match on the rescheduled time or date then the individual match will be scored as either a retirement in favor of the team whose players are available or a double default if both teams are missing a player. The original line up may be changed on a court that has **not** officially started play even if the players completed warm-up.
10. Defaults must occur from the bottom up. If a doubles player is missing, the line-up must be adjusted and that team placed in the 3<sup>rd</sup> doubles position. The 2<sup>nd</sup> and 3<sup>rd</sup> doubles teams (as designated on the scorecard exchanged) for the team with the missing player must then be moved up 1 position e.g. if the first doubles team is missing a player those players must be placed in third doubles and the 2<sup>nd</sup> doubles team moved up to first and the 3<sup>rd</sup> doubles team moved up to 2<sup>nd</sup>. No other changes in either team's line-up are allowed. Similarly, a missing singles player must be placed in the 2<sup>nd</sup> singles position. Third doubles and/or 2<sup>nd</sup> singles must be the first courts defaulted.
11. It is the responsibility of the players to make sure they are on the correct court with the proper opponents. Captains should give their players the names of their opponents when sending them to their court. If there is an error in court positions played, the home team's scorecard will take precedence. **All matches stand as played.**
12. If score confusion occurs, the players count all points and games agreed upon and replay only the disputed points. If there is no agreement on the disputed point/game, play from a mutually agreeable score. If still no agreement, spin a racquet or toss a coin to settle the dispute.
13. Once a default is entered into tennislink, they may not be changed.
14. A team that forfeits an entire team match without just cause may be penalized to the extent that all matches for the season will be considered null and void when determining team standings if it affects final flight standings for the team receiving the default; the team members may not be allowed to participate in league play the following season.
15. Where less than 3 courts are played, (or two courts for a 3 court league) the invalid match will be excluded when determining team standings if it affects final flight standings for the team receiving the default. The Local League Coordinator has final discretion in rescheduling of courts to avoid invalid matches.
16. Players are allowed one three-minute medical timeout as needed.
17. Players, teammates, spectators, or coaches who interfere and/or are disruptive at matches are considered to have violated the standards of good conduct, fair play and good sportsmanship. This includes conduct before, during and after completion of the match. Teammates, spectators, or coaches may not volunteer advice on line calls, scoring, or on the

conduct of the match. It is the responsibility of the teams, to control spectators' conduct at all matches.

18. Timed Matches: For matches that cannot be played to completion, total games will determine the winner of that court. If you started the super tie break and at least five points were played, the player/team ahead, will receive 1 extra game when adding total games won. If less than 5 points were played, it is like an incomplete game and does not count. In all timed matches, all players must be back on the court for the last fifteen (15) minutes of the match from a bathroom break. Failure to do so will result in a default.
19. For rain delays, please follow rule # B.9 unless it is within the last two weeks of the season. In that case, outdoor teams must have indoor courts available with an hour of the rain delay for the match to be completed. It may involve more than one indoor club. If indoor courts are not attainable, the home team must default the match.

### **C. Advancement:**

1. All players other than Self-Rated and Valid Computer Rated Appealed Players are eligible to progress to championship level competition below National Championships if that player has played on the same team in at least two matches at the same NTRP level in the same Age Group during its local league season and is otherwise eligible. A maximum of one default received by the player during local league competition shall count for advancing.
2. All **Self-Rated and Valid Computer Rated Appealed players** are eligible to progress to Local and Regional Championship if that player has played on the same team in at least two matches (no defaults count) at the same NTRP level in the same Age Group during its local league season. **In the Adult and Mixed Divisions, all Self-Rated and Valid Computer Rated Appealed players** are eligible to progress to Sectional Championship if that player has played on the same team in at least three matches (no defaults count) at the same NTRP level in the same Age Group during its local league season, local championships and regional championships.
3. Player Declaration Prior to Championship Play - Players who play on two or more teams at the same NTRP level and age group in the Eastern Section must declare which team they will represent prior to the start of any local, regional or sectional championship should more than one team qualify to advance. This declaration is done by playing in a championship match.

If a player declares for a team and that team is eliminated from championship play, after the completion of the championship the player is eligible to re-select and play for any other team, in any local, regional or sectional championship that has not started, as long as they meet eligibility requirements for that team, regardless of region.

Exception – If a team wins a 2021 Early Start League Local Championship and a player played in the Local Championship, the player may choose to represent another team from another local league that started after January 1, 2021 in the same region. Prior to the start of Regional Championships in that region, the player will have to declare which team they will represent in the Regional Championships. If the player plays in a second Local Championship, the player must select one of the teams for which they played in the Local Championships. Players will not be allowed to play in a championship match for a team from another region, until all teams for which the player played in a local championship match have been eliminated.

4. If two teams are scheduled for the same regional or sectional championships and share more than 7 eligible players only one team may advance. The teams must choose which team will advance, and the other team must concede their championship spot to the second-place team. The league coordinator must be notified no later than 48 hours following the conclusion of the deciding match.
5. In the event of a tie, whether in round robin or single elimination competition, the tie shall be broken by the first of the following procedures that does so:
  - a. Individual Matches
  - b. Head-to-Head
  - c. Number of Sets Lost
  - d. Number of Games Lost
  - e. Game Winning Percentage
6. Local Playoffs are the start of Championships. All matches are played to completion with the winner of most individual matches winning the match.

#### **D. Captain's Responsibilities/Procedures:**

1. Both home & visiting captains should make contact at least 3 days prior to the match to confirm match site, start time and number of courts. It is the responsibility of the home team to inform the visiting team of any dress code required by the home site, If the home club has more than one surface, you must let the opposing team know 3 days prior to the match which courts are playing on which surface. If this is not provided, once court surface is determined, the visiting team will assign courts to the differing surfaces.
2. In the event a court needs to be defaulted, the opposing captain must be contacted 24 hours prior to the start of the match. Opposing captains must confirm receipt of the email. If defaults are not communicated in this timeframe and the court goes unused, the defaulting team will be responsible for paying the full match fee for that court..
3. In the event a court is defaulted due to lateness by the visiting team, the following applies. If the court is used, the court fees continue to be the responsibility of all players on that court. If the court is not used, the visiting team is responsible for the court fees.
4. Captains shall be present at every match or assign someone to be acting captain.
5. Complete your line-up on your scoresheet and exchange scoresheets with the other captain simultaneously prior to the beginning of the team match. **If it is a staggered match, the players for the later matches MUST be designated on the lineup scorecard.**
6. Sign both the scorecards after checking that the scores are written correctly. **Both team captains are responsible for inputting scores into TennisLink within 48 hours.** The first team to report will input the scores, the next to report will "confirm or dispute" scores. Captains may forfeit their right to dispute a scorecard if they do not confirm match results in TennisLink within 48 hours.
7. The home team must supply a new unopened container of USTA approved balls for each individual match.

8. A facility must provide three (3) courts for a 3-court match, five (5) courts for 5-court matches, and 4 courts for a 4-court match. Staggered matches are a last resort and must be approved by the league coordinator. Facilities must provide two hours of court time per court.
9. When only three courts are available for a 5-court league at the commencement of a match, the individual matches shall be played in the following order: #1 singles and #1 and #2 doubles, followed by #2 singles and #3 doubles. For a 4-court league, the two courts should be: #1 singles and #1 doubles. The captains may agree to change this order by mutual consent. This is if and when staggering a match has been approved.
10. If, during a league match, an irresolvable dispute arises between the players about the accuracy of calling the lines or other issues, play is to continue with the player letting the other player know they are playing under protest and will be filing a complaint/grievance following the match. Inaccuracy of line calls will be a written complaint filed with the coordinator which will be kept on file. Three or more complaints about the same player may result in suspension.
11. Reschedules: Requests for full match reschedules are not permitted and captains do not have to agree to reschedule a full match. If you are struggling to field a full line-up, as many courts as possible should be played on the originally scheduled date (preferably 3 out of 5 courts or 2 out of 3 courts to make the match valid). If fewer than 3 out of 5 courts, 3 out of 4 courts or 2 out of 3 courts are played, then only those courts to make it a valid match must be rescheduled. If a captain does agree to reschedule a match, the lowest doubles must be defaulted by the team who made the request  
  
The USTA League Coordinator may reschedule any unplayed or incomplete matches occurring in the last two weeks of the season, which would impact the determination of a league winner. Any cost incurred would be shared by both teams.
12. Captains have 72 hours from the day of the originally scheduled match to agree on a reschedule date for an incomplete court (s). Two viable dates must be given as options by the home team. If a date is not confirmed within this time period, the League Coordinator will set the date. Captains must report the rescheduled date to the League Coordinator. Incomplete court (s) that occur within the last two weeks of the season may be rescheduled by the League Coordinator.
13. Team registration is \$29.00 per player per league spot. Matches played May to August are \$22.00 per player to be collected by the team captain and paid in one payment to the home club before going to the court. Matches that play in the Fall/Winter months are \$25.00 per player per match following the same procedure.

## **Grievances:**

### **1. NTRP Grievances and Appeals:**

Computer rated players may appeal their ratings electronically on the TennisLink website.

Self rated players may also appeal on the Tennislink website, with a decision made by the NTRP Appeals Committee. There shall be no further right of appeal from the decision of the NTRP Appeal Committee. Please refer to the Eastern Section website for Medical Appeals forms and instructions (see link below under Self-Rate Grievances).

### **2. Section Grievances:**

If a captain or coordinator believes a player is competing at one level or more below their actual skill level, a grievance may be filed at the Section level only. Players with a valid computer or benchmark rating or granted an automatic appeal of a computer rating are not subject to an NTRP Grievance.

Pursuant to USTA Eastern C.5, a separate NTRP Grievance Form must be completed for each player being grieved and forms containing multiple names will be dismissed without consideration.

### **3. Local Grievances:**

Informal notification should be made within 48 hours of the incident or dispute by the captain to their coordinator. A potential grievant is encouraged to resolve the grievance informally before filing a formal grievance.

The grievance must be filed prior to the commencement of whichever occurs first: (a) the involved team's next match in that flight, whether or not the involved player participates or (b) within 24 hours after the end of the local league season, prior to the next match for either team involved in the conflict or dispute. A formal grievance form must be submitted along with a \$25 fee. This fee will be refunded if the grievance is upheld.

In order for a grievance to be valid, it must state the specific rule or rules within the Local Rules, USTA Regulations or standards of good conduct, fair play and good sportsmanship that have been violated.

The Coordinator shall forward the grievance to the opposing captain, who shall have a set time limit to respond. The coordinator shall forward the grievance and response to the Chair of the Grievance Committee. The Local Grievance Committee shall review the grievance and make a determination in accordance with its procedures.

Appeals after the grievance decision may be made to the Sectional Appeals Committee within the time period and in the manner specified in the decision.

All grievance forms and payment forms can be found on the USTA Eastern Website [here](#).
