

Westside Challenger Tennis

What is Westside Challenger Tennis?

Westside Challenger Tennis is in its second year offering area youngsters, with special needs (K-12) a tennis opportunity. This program is designed under the auspices of the USTA (United States Tennis Association) based on the motto: "people of all ages and abilities should have the opportunity to participate in the game of tennis". Participants will learn the game in a unique, fun filled, safe environment.

Mission of Adaptive Tennis:

To create and enhance tennis opportunities for all people especially those with unique needs.

Goals of Westside Challenger Tennis
