

There's a place in college tennis for you!

Varsity Tennis

There are more than 2,000 men's and women's programs across Division I, Division II, Division III, NAIA, and JUCO. On average and depending on the program, most college tennis teams carry between 8–12 members.

Wheelchair Tennis

Collegiate Wheelchair Tennis strives to advance the growth of wheelchair tennis, to encourage individuals with disabilities to pursue a college education, and to give students with physical disabilities an equal opportunity to compete.

USTA Tennis On Campus (Club Tennis)

USTA Tennis on Campus offers a community for players of all skill levels, from beginner to advanced, to compete in a fun, low-pressure setting. Scan the QR code to find out if your college or university has a TOC Club!

Plus, support your local college tennis programs and attend a match this season!
