Bonus Points – Rewards for Significant Wins:

Bonus Points are earned for significant wins over top 30 players according to the table below.

Bonus Points are earned for wins in both main draw and consolation draw matches. At Level 1-6 tournaments, Bonus points are "attached" to the tournament at which they are earned. If a tournament is not among a player's best five tournaments, neither the points Per Round nor the Bonus Points will count towards the player's national ranking point total.
