The captain must inform the tournament desk that the entire team is on site and available to play. The tournament desk has the authority to start matches when courts are available but no sooner than 30 minutes prior to the scheduled match time.
3. If a team lineup is not submitted prior to the match being called, or the team is not on site when the match is called, an official will be notified. The Point Penalty for lateness as stated in Friend at Court (Regulation IV.D. and Table 14) will be used for each court where the player(s) for the court being called fail to appear. The penalties are as follows:

5. If a player is on two or more first place teams at the same NTRP level and Division, the player must choose ONLY ONE team on which to play at the District, State, or Sectional Championships. A player must remain with his or her chosen team for all Championship play up to and including the Sectional Championships, or their equivalent. If a cell phone rings (or vibration is heard) between points or during a changeover, the offending player is given a time violation. If it rings during a point, the other player/team may claim the point on a hindrance. In either case the player must turn the phone off at that point. If the player does have an exemption and the phone rings, the player loses the point. If it vibrates, the opposing team or player may claim a let.

A player may bring to the court written notes that were prepared before the start of the match and may read these notes during the match. A player MAY NOT use electronic devices such as cell phones, digital messaging systems, radios, tablets/smart watches, etc. Hearing aids and watches not capable of receiving messages are permitted.
