## LEAGUE INFORMATION

Combo Doubles is a USTA League that allows for nearly all levels, making it easy to play with family and friends. Men's, women's and co-ed team play is available in Combo Doubles 18 & Over. Each state hosts an annual State Championship with winning teams advancing to the Midwest Sectional Championships.

Combo leagues are administered and regulated at the Section level. There is no National advancement at this time.

USTA membership is required.

Minimum age is 18 years old.

A team match consists of 3 individual doubles matches.

Team must have a minimum of 6 players.

NTRP based —valid computer "C" or self-rating "S" is required. Match results will NOT be used in year-end NTRP ratings calculations.

The levels of play are the combined NTRP rating levels of 5.5, 6.5, 7.5, 8.5 and 9.5.

Format used: 2 out of 3 sets with match tie break in lieu of a 3rd set.

A doubles team is any combined rating levels that do not exceed the level entered.

Players may play up 1 level, but not down (e.g. a combined 6.0 doubles team could play in the 6.5 division, but not the 5.5 division).

To qualify for a playoff, a local league must play at least 3 matches in a round robin format. Each player must play 2 matches (1 default may count toward that total).

Winners advance to Sectional Championships in March (of the following year), with the date and site to be determined.

### COMBINED PLAY LEVELS:
