- e.) The USTA/Midwest Section USTA League Committee reserves the right to deny the championship to a district if USTA/Midwest Section guidelines are not met.

If a District cannot host a State Championship due to the minimum number of courts required for the championship, that District must inform the USTA/Midwest Section USTA League Coordinator in writing as follows:

- a.) If the District does not intend to host the State Championship, it must notify the USTA/Midwest Section USTA League Coordinator by January 31.
- b.) The District next in rotation will then be invited to host the State Championship. This new district should submit an answer with the name of a site by February 14, of the championship year or within 30 days upon receipt of notice from USTA/Midwest Section.
