revised 5/7/15	<b>Two Team Leagues: 1.04D(5) 40% Rule for Adult 18 &amp; Over and Adult 40 &amp; Over.</b>  If a lower NTRP level player registers right before match play and makes the team with less than 40% of in level players, is it considered an illegal team and the whole match is defaulted? 1. What happens to a team, if their roster does not meet the 40% in level rule during a local league match?	<u>These decisions are from the National USTA League office by email on 3/13/11.</u>  <u>Yes...illegal match with entire match defaulted.</u>  1. Yes  2. Yes  3. No Waiver  4. It is a "Total Team Default".
