

Looking for your team information?

After logging in to TennisLink, click on your team under the My Teams heading in the middle left of the page. This will launch the Team Summary.

1. Team Summary Functions:

Lists the teams in your flight, your matches, your players, and any championship level reached

2. Match Summary Functions:

Gives a listing of match ID numbers, dates and times of matches, and the reported outcome

3. Match Schedule Function:

Provides the location of matches

4. Player Roster Functions:

Lists each team member's USTA membership number and informs when each will expire, provides team members' addresses and phone numbers, and shows how many matches each has played

5. Captain's Report Functions:

Provides the name, address, phone, and e-mail contact for all captains in a flight
