

USTA ADULT LEAGUES

Looking for your team information?

After logging in to TennisLink, click on your team under the My Teams heading in the middle left of the page. This will launch the Team Summary.

Team Summary Functions

Lists the teams in your flight, your matches, your players, and any championship level reached

Match Summary Functions

Gives a listing of match ID numbers, dates and times of matches, and the reported outcome

Match Schedule Function

Provides the location of matches

Player Roster Functions

- Lists each team member USTA membership number and informs when each will expire
- Provides team member addresses and phone numbers, and shows how many matches each has played

Captain's Report Functions

Provides the name, address, phone, and e-mail contact for all captains in a flight
