

USTA Midwest Dual & Late Entry Policies

Elevated Junior Tournaments

LATE ENTRY POLICY

1. No late entries will be permitted at any USTA Midwest elevated junior tournament. This includes Closed Level 3s, Open & Closed Level 4s, and Open Level 5s.
2. Exceptions to this policy may only be made if a draw is not full on a first come, first serve basis through the Monday of the week of the tournament.

OPEN LEVEL 5 DUAL ENTRY POLICY

1. Players may enter multiple Midwest Open Level 5 tournaments on a given weekend.
 - If a player is selected for multiple events, the player will be charged multiple entry fees and will not receive any refunds. The player then has until end of day Monday to make a decision for which tournament he/she is withdrawing from in order to avoid suspension points.
 - Violating this policy will result in the player receiving four USTA Suspension Points for improper withdrawal.
2. A player may also sign up for an Open Level 5 tournament and a Level 6 or 7 tournament on a given weekend.
 - Written permission is required from BOTH Tournament Directors to sign up for multiple events.
 - If the player is selected for the higher-level event (Open Level 5), the player must withdraw from the lower-level event (Level 6 or 7). If a player fails to do so, the player will be withdrawn from the lower-level event and will receive four USTA Suspension Points for improper withdrawal.

OPEN/CLOSED LEVEL 4 & CLOSED LEVEL 3 DUAL ENTRY POLICY

1. Players may sign up for two age divisions within the same Midwest Level event (e.g. G16s Level 4 and G14s Level 4).
 - Written permission is NOT required to do so.
 - Players will be selected in descending order from older age division to younger age division (18, 16, 14, and 12s). Once selected for the older age division, players will be removed from the younger age division event.
2. If players are on one or more tournament lists (alternate/alternate or alternate/competitor), this player may remain on both lists until end of day Monday. At that time, the player must withdraw from one list and email the Tournament Director and the Midwest Office at jrtourney@midwest.usta.com with their decision. Failure to do so may result in four USTA Suspension Points for improper withdrawal.
3. If a player intends to register for nonadjacent age groups (e.g. B18s and B14s), the player must email jrtourney@midwest.usta.com prior to the entry deadline.
