

## USTA/Midwest Tournament Multiple Entry Process (as of January 1, 2017)

### Action is Required

USTA/Midwest players may sign up for multiple age divisions within each Midwest Level 1, 2 or 3 tournaments WITHOUT requesting Tournament Director permission (*This Multiple Entry Process does not apply to the Midwest Closed Outdoor Championship. That tournament requires a different endorsement procedure*).

- I. Players signing up for multiple age divisions within the same Midwest Level event (example: Girls 16 Level 1 and Girls 14 Level 1):
  - a. Players will be selected in descending order from older age division to younger age division 18, 16, 14, 12, and 10s. Once selected for the older age division, players will be removed from the younger age division event.
- II. Players that are alternates:
  - a. You may remain an alternate on more than one tournament list.
    - i. If you are contacted for a playing position that you accept, you must email the tournament director and copy the Midwest Office at [jrtourney@midwest.usta.com](mailto:jrtourney@midwest.usta.com) to remove you from the alternate list. If a player violates this policy they will receive five USTA/Midwest Suspension Points and will receive no refunds.
  - b. If players are on one or more tournament lists (alternate/alternate or alternate/competitor), this player may remain on both lists and will have until 5:00pm on Monday (five days before the event begins) to remain in one tournament. This player must email the tournament director and the Midwest Office at [jrtourney@midwest.usta.com](mailto:jrtourney@midwest.usta.com) with the decision.
