USTA/Midwest Junior Team Tennis Section Championships TennisLink Registration Information

Please review the following steps prior to registration on TennisLink Team Tennis for the 2019 Jr. Team Tennis Midwest Sectional Championships.

Step 1: Individual Registration

All individuals are required to be registered on TennisLink. Individuals or Coach/Team Manager may register players if team is not already in the system. The deadline is July 10, 2019. (Please note your team # for easy registration in the Championships.)

Please go to: <http://teamtennis.usta.com/Main/HomePage.aspx>

Step 2: Championship Team Registration

Once all individuals have registered for the advancing team, the team itself must register for the Championship it has qualified for. The Coach/Team Manager should register the team and pay the \$45 per player (+Tennis Link Fee) entry. The Championships registration deadline is midnight EST July 17th, 2019 except for Wisconsin and Western Michigan; their deadline is noon EST July 21st. Please note there is also a \$100 deposit held (not charged) on your credit card until the completion of the event. The deposit will be charged if your team doesn't show up, leaves early from the event, or anything determined a chargeable offense by the tournament committee.

Please go to: <https://tennislink.usta.com/TeamTennis/Main/ChampRegistration.aspx> or the TennisLink home page and click on **Championships** to register a Team.
