### Holiday Matches

### **General**

### **CHECK THE SCHEDULE FOR STARTING TIMES, DATES AND LOCATION**

All matches should be played on the scheduled day and time. The exception(s) to this rule are:

1. Holidays –Memorial Day, July 3<sup>rd</sup> and 4<sup>th</sup>, Easter (All efforts will be made not to schedule on Holidays or Holiday weekends)
2. Conflicts with any USTA League Championships- teams must accommodate
3. Mutually agreed upon changes in Match day/time  
Matches may be rescheduled in their entirety or partially, when both captains agree there is a conflict and agree on the time and date(s) for the rescheduled match (es).

The District League Coordinator (DLC) MUST be immediately notified in writing of any rescheduled matches. This should be in email to [amy@midwest.usta.com](mailto:amy@midwest.usta.com) prior to the originally scheduled match.

If DLC is not notified, the rescheduled date/time may not be considered an official match.

### **Whole Team Default**

In the case of a whole team default, the non-defaulting team will get credited with such number of games as would have been won if the match was played and scored as such 6-0, 6-0. A whole team default will result in a warning being issued, avoiding a sanction, provided the defaulting captain contacts the District League Coordinator AND the opposing team captain. Each team will only be allowed one warning per season. A **monetary\*\*\* sanction** will automatically be issued to any team that neglects to notify both the League Coordinator and the opposing team captain. A monetary sanction will be imposed for any subsequent whole team defaults, which will be determined by the NWOTA USTA League Committee before the start of the next playing season.

The following applies to the USTA Summer League Tennis Season

1. Facilities that do not have sufficient courts due to the number of home matches have the option to have starting times vary but courts available at the normal starting time/outside must be utilized.
2. Rain scheduled matches can start as late as 9:30 p.m. at night or 11:30a.m. for day matches.
3. All matches must be completed by the last day of the season. Unless prior approval from DLC.
4. If a rescheduled time cannot be agreed upon between the two opposing teams, the District League Coordinator will choose the time and place for the match to be played.

The District League Coordinator (DLC) must be immediately notified, in writing, of any rescheduled matches. If the DLC is not notified, the rescheduled date/time will not be considered an official match.

**Court Surfaces/location:** Visiting captains will determine which of their teams will play on what surface if two different surfaces are being used for the match, who plays inside or out, or at different locations or times. **This should be stated prior to the exchange of lineups.**

In the case that it rains, or darkness becomes an issue court safety is to be taken into account. All players on the court and/or captains agree to suspend play and go indoors or complete at a later date.

**Rain Arrangements:** For each match, 48 hour notice of where teams will play if it rains will be given by the home captain (or team rep) to the visiting captain (or visiting team rep.). If the visiting captain does not receive notice 48 hours prior, the visiting captain will contact the home captain to determine the rain plan. Both captains are responsible for finalizing a rain plan. Court cost is \$18 per player.

The home captain shall obtain courts for a rain match. If the home captain is unable to obtain courts, the visiting captain may arrange courts on the scheduled day. Teams that refuse to play on rain secured courts (which require indoor court fees) are in violation of the whole team default rule. Should neither captain be able to secure courts on the scheduled day the match must be **played within 2 weeks or rescheduled to a future date prior to the last scheduled match of the season. The date and time should be sent to Amy to change in Tennislink.**

For matches scheduled at facilities with indoor courts.

- If scheduled inside and it is raining the rain court cost fee is still assessed.
- If playing outside but then coming in due to rain prior to an hour from the starting time the cost is still \$18 After an hour into play, there is no charge.

All matches must be played before the last match in the flight is scheduled. A waiver may be allowed if submitted to the DLC and time allows prior to Championships. If rescheduling is necessary, not all positions in that match need to be played at the same time. **District League coordinator must be informed of any rescheduling immediately.**

**Alcohol Policy:** Please be aware of each location's policies. Many schools and parks prohibit the consumption of alcohol on property. Some Clubs have Liquor Licenses that do **not** permit alcohol to be brought onto their property.
