# IOWA DISTRICT TENNIS HALL OF FAME

The appointed Hall of Fame Committee gathers, accepts, or procures nominations and supporting data regarding candidates and evaluates the merits of each. At the fall meeting of the Iowa Tennis Association, the Committee presents its recommendation for new members, if any. A secret ballot by those entitled to vote at the meeting determines whether or not the recommended candidate(s) is/are approved. Approval by 50%+ of eligible voters at the meeting is required for selection to the Hall of Fame.

## SELECTION CRITERIA --- GUIDELINES

It seems appropriate to select 1, 2, or 3 nominees each year, although special circumstances might dictate none or 4+ on special occasions.

The ITA Hall of Fame is meant to honor those few individuals who have made outstanding contributions to tennis in the Iowa District. They may have contributed as administrators, players, directors, coaches, or by other forms of service, and over a comparatively long period of time.

We recognize good players with annual rankings and Player of the Year awards. A Hall of Fame player would be unusually talented and successful over a long period of time.

We make a group of annual awards to honor special achievements in specific categories such as Adult Player, Junior Player, Recreational Player, Family, Facility, Tournament, Official, Community Service, and Outstanding Contribution to Iowa Tennis.

The Hall of Fame takes note of special qualities of leadership, longevity, wisdom, etc. Being an officer of the ITA is valuable service to tennis and may be a factor, but should not be considered an automatic road to selection.

The Committee is expected to consider persons of various ages, varying periods of activity, a variety of types of service, and from all areas of the state. This summary of criteria should be published periodically in the Iowa Net News.

Proper recognition of a selection should be given at the spring meeting of the ITA or at an appropriate event in the selectee's home area.
