## APPENDIX B: Bullying/Hazing/Harassment Rules

### 1. Bullying

Repeated inappropriate behavior, either direct or indirect, whether verbal, physical, or otherwise, conducted by one or more persons against another or others. It is the effect of the behavior on the individual which is important, not the intent of the person committing the act. Specifically, bullying refers to:

- a. An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended to cause fear, humiliation, or physical harm in an attempt to socially exclude, diminish, or isolate the individual(s) targeted.
- b. Any violation of state law prohibiting bullying.

Examples of bullying prohibited by the USTA include, without limitation:

- i. Physical behaviors, including: (a) repeated hitting, pushing, punching, beating, biting, striking, choking, or slapping an individual; (b) repeated throwing at or hitting an individual with objects, including sporting equipment.
- ii. Verbal and emotional behaviors, including: (a) repeated teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate, or humiliate ("cyber bullying").

Bullying does not include group or team behaviors that: (i) are meant to establish normative team behaviors; (ii) promote team cohesion; (iii) are a condition of membership; or (iv) do not have reasonable potential to cause emotional or physical distress to any individual. For example, bullying does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

### 2. Hazing

Intentionally humiliating, degrading, or risking emotional or physical harm regardless of the individual's willingness to participate.

Hazing specifically refers to coercing, requiring, forcing or willfully tolerating any humiliating, unwelcomed or dangerous activity that serves as a condition for (a) joining a group; or (b) being socially accepted by a group's members. In addition, hazing refers to any act or conduct described as hazing under federal or state law. Activities that fit the definition of hazing are considered hazing regardless of an individual's willingness to cooperate or participate.

Hazing does not include group or team behaviors that: (i) are meant to establish normative team behaviors, or (ii) promote team cohesion.

# USTA LEAGUE TENNIS 2022 TULSA LOCAL LEAGUE RULES

## APPENDIX B – (CONTINUED)

Examples of hazing prohibited by the USTA include, without limitation:

- a. Requiring, forcing or otherwise requiring the consumption of alcohol or illegal drugs;
- b. Tying, taping, or otherwise physically restraining an individual(s);
- c. Sexual simulations or sexual acts of any nature;
- d. Requiring social actions (e.g., grossly inappropriate or provocative clothing) or public displays (e.g., public nudity) that are illegal or meant to draw ridicule; or
- e. Beating, paddling, or other forms of physical assault.

### 3. Harassment

Harassment includes, but is not limited to, harassment on the basis of race, creed, color, disability, marital status, veteran status, national origin, age, sex, sexual orientation, religion, physical handicap, and stalking. While it is not easy to define precisely what harassment is, it includes, but is not limited to, slurs, epithets, threats, derogatory comments, unwelcome jokes and teasing, derogatory pictures, posters, gestures, and unwanted blocking or interference of movement and personal space.

Examples of harassment that are prohibited by the USTA include, without limitation:

- a. (i) making negative or disparaging comments about an individual's sexual orientation, gender expression, disability, veteran status, age, sex, physical handicap, religion, skin color, ethnic traits, domestic violence victim status, stalking, genetic predisposition or carrier status; (ii) displaying offensive materials, media, gestures, or symbols; (iii) withholding or reducing playing time to an athlete based on his/her sexual orientation.
- b. Any act or conduct described as harassment under federal or state law.

**END**
