5. Match tie break format will be used. Matches are regular scoring with set tie-breaks (first to 7 by 2) played at 6-6. Should sets be split after 2 sets are completed, a match tie-break (first to 10 by 2) will be played in lieu of a third set.

6. Coman Tiebreak Procedure will be used for all set and match tiebreaks. It is the same as the procedure for a set or match tiebreak except that ends are changed after the first point, then after every four points, and at the conclusion of the tiebreak. (USTA Handbook I.E1c)

7. On Level Player Requirements: All teams in the Adult 18 & Over or 40 & Over Divisions must maintain their roster with at least 40% of its players at the designated NTRP level of play. A player who has a mixed exclusive (M) rating or tournament exclusively (T) rating and subsequently chooses to participate in the Adult Division must enter by using a valid computer (C) or benchmark (B) rating from a previous year. If such player does not have a valid (C) or (B) rating from a previous year, he or she must self-rate with the minimum rating being the higher of the self-rating or valid mixed exclusive (M) or tournament exclusive (T) rating. These players will have an "S" designation and be subject to rules regulating self-rated players.

Match Time

Captains need to exchange line ups at 10 minutes before scheduled match time. Players are to be on their assigned court, with their opponents, at the specified match time. There is a scheduled 10 minute warm-up time, including serves.

There is no break after the first game of a set, players change sides and continue to play until after the third game. There is a 90 second break on each changeover thereafter. There will be a 2 minute break between each set. If needed, a tiebreak will determine winner of each set. First to 7, win by 2 points.

When the first two sets are split, there will be a 2 minute break, and there is no coaching allowed during this break. A Match tiebreak will be played in lieu of the third set. First to 10, win by two points. The winning team will record the tiebreak as 1-0 on the scorecard.

Scores must be entered within 48 hours of completing the match. Teams have 48 hours after the score is reported to Confirm or Dispute. Failure to report scores 96 hours after completing the match may result in a Double Default on all courts. **The 96 Hour Rule will be enforced unless the District League Coordinator approves a valid reason for delaying score entry.**

If a team has more than one match scheduled on a given day the rest period between matches will be a minimum of 1 hour.

All matches will use the **Coman Tiebreak Procedure:**

It is similar to the old tiebreak procedure except that ends are changed after the first point, then after every four points. Sides are changed more often, but in doubles each player will continue to serve on the side they served on throughout the set.

Inclement Weather

This rule covers only a limited number of possible hazardous/non-playing conditions. Therefore, when it comes to safety of the players, common sense shall prevail.

In the case of inclement weather, the **Captains** only should call their playing site, no more than **2 hours** before match time. When a decision is made then the captains will notify their players

- If you are scheduled to play at a facility, and there is a **TORNADO WARNING** for that particular **COUNTY**, the USTA matches scheduled will automatically be cancelled. Captains should still call the facility to make sure the matches are cancelled.
- **The Local League Coordinator has the authority to call matches off for eminent hazardous weather up to 3 hours before a match.**
- If the temperature is below 40°, a match may be cancelled. Contact the USTA Local Coordinator.
- **If the temperature/heat index during match time is forecasted to reach 105° F or higher, the match must be rescheduled, unless both captains agree to play. In order for this rule to take effect, team captains must communicate with each other, at least one hour before the start of the match and make their intentions known. If possible delay the start time.**
- All rescheduled matches must be played within two weeks.

Oklahoma City

2019 USTA Local League Rules

Captains have the authority to cancel/postpone a match, by mutual agreement, if bad weather arises once they are on the courts.

Defaults

Any team that forfeits a whole match may be ineligible to play the rest of the season. If both captains agree, a match can be postponed, only if the match can be made up within **two** weeks of original schedule.

When defaulting individual courts, you must default from the bottom line up. At time of exchange you may adjust the line-up and put the late player on the court to be defaulted first.

If a team is defaulting an individual match (either an empty court or ineligible player), the defaulting captain **MUST** notify the opposing captain as soon as he/she knows the team will default a court, no later than 24 hours in advance.

If a captain has been notified ahead of time that the opposing team will default a court, his or her player may be on the score card and not be present

Grievances

NTRP Grievance: Players subject to NTRP Grievances are: M rated, T rated, A rated players who were granted a medical appeal and S or Self rated players. Players who enter the USTA Tennis program by inappropriately self-rating at an NTRP level lower than their actual skill level are considered to have violated the standards of good conduct, fair play and good sportsmanship. These players may be subjected to a NTRP Grievance. A player who inappropriately self-rates, and captains and others who condone inappropriate self-rating, may be subject to possible sanctions, including disqualification and suspension. (USTA: 3.03E(1)a, 3.03E(1)c)

A player with a valid NTRP Computer "C" or Benchmark "B" or granted an Automatic Appeal (A) rating of a Computer (C) rating is not subject to an NTRP Grievance. Any other player is subject to an NTRP grievance. (USTA: 3.03E(1)b)

Auto-electronic appeal violation by someone other than the player: A grievance may be filed locally by the player and the District League Coordinator against any captain who appeals the player's rating without the player's prior knowledge or consent.

Other Grievances: a formal complaint by a captain against an opposing team or player may be filed with the District Coordinator, accompanied by a \$10.00 fee. General complaints involving violations of USTA or District Rules and Regulations should be forwarded to the Oklahoma District League Coordinator. The fee will be refunded if the Grievance is upheld.

Championships

Team standing is determined by, in descending order, winner of most team matches, winner or most individual matches, result of head-to-head play, fewest sets lost, fewest games lost within a round robin.

Player substitution during Championships: "During the USTA Missouri Valley Sectional and District Championships, no substitutions may be made in an individual match after the line-up has been presented, except for injury to, illness of, or disqualification of a player, prior to the start of such match, and under such future circumstances as the Championships Committee may authorize. If the substitution is made during the warm-up, the option to recommence the warm-up rests with the substituted player. **If any player is replaced under the substitution rule, then that player's status becomes ineligible. Therefore, the player will not be permitted to compete in any future matches in that Championship.** (MV#9C)

Teams should not accept **any Local Play-off**, District, Section or National Championship invitation unless they have enough players attending to fill **all** courts for every match. Teams are required to play all championship matches scheduled. Any team withdrawing without coordinator approval is subject to a grievance and penalties.

Player registration fee/team registration fee is required for all teams attending Section or National Championship. Registration will be completed online.

Bullying / Hazing / Harassment

Bullying

Repeated inappropriate behavior, either direct or indirect, whether verbal, physical, or otherwise, conducted by one or more persons against another or others. It is the effect of the behavior on the individual which is important, not the intent of the person committing the act.

Specifically, bullying refers to:

- a. An intentional, persistent and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended to cause fear, humiliation, or physical harm in an attempt to socially exclude, diminish, or isolate the individual(s) targeted.
- b. Any violation of state law prohibiting bullying.

Examples of bullying prohibited by the USTA include, without limitation:

- i. Physical behaviors, including: (a) repeated hitting, pushing, punching, beating, biting, striking, choking, or slapping an individual; (b) repeated throwing at or hitting an individual with objects, including sporting equipment.
- ii. Verbal and emotional behaviors, including: (a) repeated teasing, ridiculing, intimidating; (b) spreading rumors or making false statements; or (c) using electronic communications, social media, or other technology to harass, frighten, intimidate, or humiliate ("cyber bullying").

Bullying does not include group or team behaviors that: (i) are meant to establish normative team behaviors; (ii) promote team cohesion; (iii) are a condition of membership; or (iv) do not have reasonable potential to cause emotional or physical distress to any individual. For example, bullying does not include verbal admonitions to encourage team members to train harder and to push through a difficult training regimen.

Hazing

Intentionally humiliating, degrading, or risking emotional or physical harm regardless of the individual's willingness to participate.

Hazing specifically refers to coercing, requiring, forcing or willfully tolerating any humiliating, unwelcomed or dangerous activity that serves as a condition for (a) joining a group; or (b) being socially accepted by a group's members. In addition, hazing refers to any act or conduct described as hazing under federal or state law. Activities that fit the definition of hazing are considered hazing regardless of an individual's willingness to cooperate or participate.

Oklahoma City

2019 USTA Local League Rules

- b. Tying, taping, or otherwise physically restraining an individual(s);

Harassment

Harassment includes, but is not limited to, harassment on the basis of race, creed, color, disability, marital status, veteran status, national origin, age, sex, sexual orientation, religion, physical handicap, and stalking. While it is not easy to define precisely what harassment is, it includes, but is not limited to, slurs, epithets, threats, derogatory comments, unwelcome jokes and teasing, derogatory pictures, posters, gestures, and unwanted blocking or interference of movement and personal space.

Examples of harassment that are prohibited by the USTA include, without limitation:

- a.
