I am 7-18 of age, never played a USTA tournament or consider myself a beginner-intermediate player, where do I start?

These tournaments are non-elimination and played in a fun and exciting environment! This circuit is a great way to get educated on the USTA Oklahoma circuit and general information on the do’s and don’ts of USTA tournaments.

1. **Who can play the NET circuit?**
   a. Look for any tournament that reads OK NET (Name of Tournament) BG8-18
   b. Anyone ages 6-18
   c. Beginner-Intermediate players that are new to USTA tournaments
   d. Out of state players may participate in a NET tournament
   e. Champ players are ineligible to play this circuit

2. Results from the NET circuit does not count toward any Challenger or Champs points
1. **What is Smashers?**
   a. The Player Pathway promotes play in red, orange, and green ball events and is structured in a way that will allow young players to remain at the appropriate level until they are granted advancement by way of age, results, or participation. It is the Missouri Valley's belief that this structure will give players more time to develop both physically and technically. A player who becomes competent in these regards will be able to work through the pathway in a reasonable time period.

2. **U10 Orange & Green Ball Play**
Criteria for BG10 players advancing to Boys and Girls 12 Challengers or Champs

1. BG10 player advancing to BG12 Challengers or Champs must meet the following:
   a. Player earns 20 stars and/or trophies in U10 Green, OR
   b. 5 (10 trophies) tournament wins in U10 green

A player is eligible to play BG12 Champs (yellow ball) if either (a.) or (b.) is met. However, they may continue to play BG10 Green or participate in BG12 Challengers (green ball).
I consider myself an intermediate player

1. **Who can play in the Challenger Level?**
   a. If you have never played a USTA tournament, we suggest you play a NET tournament first
   b. On the searchable schedule, look for any tournament that reads OK Challenger (Name of Tournament) BG12-16
   c. Players who have completed the U10 requirements (see U10 Smasher Requirements) may play in the BG12s with the green dot ball
   d. Challenger players may compete in any Challenger older division. BG12 playing up in BG14 must be 12 1/2. Points earned in multiple age divisions are not combined. For example: A player has 150 points in B14 and 50 points in B16. The 150 and 50 points are not combined.
   e. Champ level players who are re-qualifying. It is not advised for a Champ player to play up in Challengers until 2-3 months prior to aging up and only if you are on the borderline of not meeting the top 50 aging up rule.
   f. Out of state players may not participate in Challenger level tournaments
I consider myself an intermediate player

1. **How are points awarded and how to qualify for the Champs circuit?**
   a. Each singles main draw match won earns a player 50 points
   b. Each singles consolation draw match won earns a player 25 points
   c. A total of 375 points in the best five (5) tournaments will earn advancement to the Champs circuit.
      i. BG12 have the **option** to stay in the Challenger level after 375 points are obtained. BG14-16 must move up to the Champs circuit once 375 points is obtained.
      ii. A BG12 player that has qualified can play both Challenger and Champ level tournaments. (This rule only applies to BG12s).
   d. Qualifying points are calculated on the best five (5) tournaments in a rolling twelve-month period.
   e. Only Challenger level tournaments will award players advancement points.
   f. Byes do not count as wins, therefore no points will be awarded.
   g. Challenger points do not carry over from one age division to another and challenger points do not carry over to Champ circuit.
   h. While in very rare occurrences, The Junior Competition Committee has the right to award a wild card to a Challenger player to move to the Champ circuit.
I am an intermediate-advance player, now what?

1. **Who can play in the Champs Circuit?**
   a. 10 and under players must complete the BG10’s requirements (See Smashers) and then qualify for the Champs circuit through the Challenger level or complete the Smasher green mission.

   c. New resident players who have been approved by the Oklahoma District JCC.

In an effort to promote a more enjoyable and fair experience for all, the following policy is in immediate force and effect, and shall be diligently and stringently enforced. USTA Oklahoma has implemented a “ZERO TOLERANCE” policy for improper behavior.

1. Any attempt by a spectator to speak to an official/tournament director regarding a line call or other ruling during match play shall be cause for immediate removal from the playing area and, if warranted, from the premises.

2. Any spectator behavior deemed unacceptable towards a player, other spectator or staff member shall be cause for immediate removal from the playing area or the entire premises. If said behavior is directed towards a player, either before, during or after a tournament, it shall result in an automatic and immediate suspension of that spectator’s right to attend USTA Oklahoma tournaments, for a period of time to be determined by the USTA Oklahoma Grievance Committee.

3. Refusal to adhere to a removal request shall trigger immediate enforcement of the point penalty system against the player with whom the spectator is involved (per point penalty system regulations), including possible immediate default.

4. The On-Site Official/Tournament Director is the SOLE judge regarding unacceptable behavior.

Umpire/Spectator communication, whether it be about a ruling or any other facet of a tennis event is prohibited while a match is in progress. Being a parent, coach, etc. does not endow special privileges. With the only exception of the right to remove their own child from competition at any time, a parent or coach is merely a spectator. REMOVAL IS NOT SUBJECT TO APPEAL.”
Junior tennis should be a fun and rewarding experience for our children. Character building lessons such as hard work, discipline, sportsmanship, and handling adversity are regularly on display. Parents of junior players should enjoy the time spent with their children and watching them develop not just into better tennis players, but into good citizens.

Parent Rules:

1. Parents may not speak to your child once they walk on the court unless you only have a positive comment such as “Good point!”
2. You are NOT allowed to speak to your child’s opponent during the match unless you only have a positive comment such as “Good point!”
3. Coaching is not permitted! Some examples are “Keep the ball in play!” or “Take your time.”
4. If your child has an issue with scoring, your child needs to ask the court monitor for help. You need to inform your child of this prior to their match.
5. If there is a scoring dispute, this is between your child, the opponent and the court monitor.
6. If a parent feels there is a scoring error, you may not interject. This is up to the players and the court monitor.
7. Please understand, per USTA Friend at Court Rules, No person shall abuse a tournament official or player. The Tournament Official has right to request an abusive person to desist or leave the tournament area. Point Penalty System applies to abuse. If the person refuses to follow the instructions to leave, then the official may penalize the player associated with the person under the Point Penalty System.
8. Parents may not sit on the bench next to their child or opponent. Viewing may take place outside the court area or may be permitted to sit inside the fences in the corner of the court for orange ball only. Green ball, parents may not be inside the fences.
