

2022 Eastern Connecticut One Doubles “Tri-Level” League Information

A traditional Tri-Level League is a USTA format designed to provide a unique team experience by combining players of different NTRP levels on the same team. In light of the limited population of players in ECT, the traditional Tri-Level League is run as a “One Doubles” league, meaning that each NTRP level is run as its own league instead of combining levels to create one team.

The League will be offered to men and women at the 3.0, 3.5, 4.0 and 4.5 levels. The winners at each level will be eligible to participate in the New England Sectional Tri-Level Championships.

The winners of each of the Men’s and Women’s Tri-Level Sectionals at the 3.5, 4.0, and 4.5 NTRP levels will form one team to advance to the Tri-Level National Invitational Championship to be held from March 4-6, 2022 at Omni Rancho Las Palmas, California. Currently, no National Invitational exists for the 3.0 level.
