CT Junior High Performance Player Program (USTACT-JHPPP) FAQs

What does USTA CT-JHPPP stand for?

United States Tennis Association Connecticut – Junior High Performance Player Program.

What is the Mission of the USTA CT-JHPPP?

The mission of the CT Junior High Performance Player Program (USTACT-JHPPP) is to identify, nurture, develop and inspire junior players that reside in Connecticut and have been designated 'potentially elite in performance' by a Committee appointed by the USTA CT Board to so act and review. Our goal is to help each player reach their maximum playing potential by shepherding them to resources. Through an accountability system we will make sure the chosen player utilizes the resources that we provide and integrates them into their current tennis plan. Areas subject to review include an insistence on a comprehensive coaching philosophy that includes a clearly defined training structure and competitive pathway.

What is the CTSP pilot?

The Court Time Scholarship Program pilot is a test to off-set some of the indoor tennis costs for top ranked players in USTA New England.

Who is eligible for this program?

Any junior player ranked in the top 25 in their age group.

How do I know if I have been accepted into the program?

You should have or will receive an email with acceptance into the program.

Can I book the court time in advance?

You go by the current policies and booking procedures for the USTA Organizational Member clubs. (i.e. some clubs have a 3-day advance booking which means you cannot book court time more than 3 days prior)

Does this cover the cost of tennis lesson, clinics or program?

No, only court time.

What % of the court time is reimbursed to me?

50%.

How many times maximum can I play and get reimbursed as part of the Pilot Program?

4. Although our goal is for each player to play as equally as possible, our funds are limited. We reserve the right to cut off the program once our allotted budget for the pilot is reached. Email CTJHPPP@gmail.com if you require special consideration.

How many times can I play per week and get reimbursed?

No. You receive 50% off of your portion of the court fees.

How do I know what other junior players have been accepted into the program so I can arrange to play with them?

Either check the USTA NE rankings list or email CTJHPPP@GMAIL.COM.
