LEVEL 5 - TOURNAMENTS OF THE YEAR

USTA Northern California is pleased to announce the NTRP Tournaments of the Year series. Tournaments can gain the status of NTRP Tournament of the Year by receiving the high player evaluations the previous year. Players playing in NTRP Tournaments of the Year will earn Level 5 ranking points.

Each year, up to 10 NTRP tournaments in various regions will be designated as a NTRP Tournament of the Year. Player feedback is very important to USTA NorCal and will play a big role in determining which tournaments receive the Tournament of the Year designation each year. Please submit an evaluation after each tournament played.
