

The NTRP Nationals Championships are national adult tournaments that leverage the NTRP rating system as a way to create level-based competition at the 18 & over and 50 & over age groups. Each year, NTRP National Champions are crowned in men's and women's singles and doubles at the 3.0, 3.5, 4.0, 4.5 levels in both 18 & over and 50 & over age groups, as well as at the 5.0 level in the 18 & over division. Learn more below about how you can qualify for the 2020 NTRP National Championships.

Northern California's quota is 2 players in each singles division, and 2 teams in each doubles division.

[About NTRP National Championships](#)

Selection Criteria:

Northern California's quota is 2 players in each singles division, and 2 teams in each doubles division.

1. The champion and finalist of the NTRP Grand Prix in the division they played. If a player or doubles team qualifies for both the 18 and over and the 50 and over events, the player/doubles team will be able to decide which tournament they would like to compete in.
2. Spots not filled by a USTA NorCal Grand Prix champion or finalist will be determined using the USTA NorCal Final Ranking list. Should a tie exist in determining the endorsed positions for the NTRP National Championship tournaments, the following criteria will be used, in order, until the tie is broken: head-to-head matches won; most tournaments played; most matches played; coin toss.
3. After using the USTA NorCal Final Ranking list, any remaining spots will be determined by the Adult Tournament Committee.

* Doubles selections for the NTRP National Championships are team based. If there is a player that qualifies as a team with one partner for the NTRP National Championships 18+ and qualifies as a team with a different partner for the NTRP National Championships 50+, the player may compete in both tournaments.

USTA National can accept additional players beyond NorCal's quota at their discretion. Please contact michael.hughes@usta.com with further questions.

NTRP Rating Validation:

- Player will use his/her year-end rating the year prior to the NTRP National Championship
- Self-rates are not eligible to participate

*If a player is a self-rated Grand Prix finalist or champion and earns a computer generated rating at the end of the year and is bumped up to higher level, they are not eligible to participate in the NTRP National Championships.

Interested in Playing?

To apply to play in one of these events register for the tournament online on the TennisLink tournament homepage. Dates for 2020 events are as follows:

Player's Responsibility in National NTRP Championships:

If you decide to withdraw before the entry deadline, withdraw from the TennisLink tournament homepage and inform the USTA Northern California office immediately. If it is necessary for you to withdraw from the tournament after the entry deadline, notify the tournament director and USTA Northern California office immediately.

If you have questions or would like more information about the selection process, email USTA NorCal, Adult Competition Coordinator, Michelle Wilson at wilson@norcal.usta.com.
