## 2019 USTA NorCal Junior Team Tennis - Advanced Player List

### Same Gender Divisions Only (Players on this list must play Advanced)

(Ratings displayed are as of 3/1/19 and remain locked for the summer season)

(Note: If a player is not on this list, reference the Official 2019 USTA NorCal JTT Player Benchmark for more information about how to determine if a player is Intermediate or Advanced level. If a player is not on this list it does not automatically mean they are eligible to play at the Intermediate level, they must self-rate with their coach via the NTRP system according to the 2019 USTA NorCal JTT Player Benchmark. The benchmark can be found online at [www.norcalteamentennis.com](http://www.norcalteamentennis.com) or in the 2019 USTA NorCal Junior Team Tennis Section Rules and Regulations). If you have any question about a players rating, email [jrteamentennis@norcal.usta.com](mailto:jrteamentennis@norcal.usta.com).
