

BRING USTA JUNIOR TEAM TENNIS TO YOUR COMMUNITY

You love tennis and want to get more involved in your community. The USTA is looking for new coaches and organizers to grow the sport. Start a Junior Team Tennis League and give children a remarkable tennis experience so they play for a lifetime.

We're making it easier than ever to get started today:

- Start small. Organize a league for all ages and levels. Only 12 players needed.
- Decide on what works for you:
 - ✓ Pick the time of year (season)
 - ✓ Identify the site(s) and courts
 - ✓ Choose a convenient day and time
- Let us help you stay organized with online rosters, registration, reports and team management tools through Tennis Link.
- Access our promotional resources to help get the word out and recruit more players.
- Utilize our incentive programs and grants to help with start-up costs.

PARENTS:

Manage a team – no tennis experience is required. Share a great experience with your child.

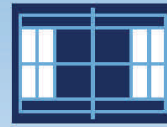

PE TEACHERS:

If you have tennis teaching experience, you can coach a team. If not, help to manage a team and connect your children to a way to play outside of school hours.

AFTER-SCHOOL PROVIDERS:

Manage a team to expand your current offerings and increase your participation.

TENNIS PROVIDERS AND ORGANIZATIONS:

Start a league or coach a team to get more children playing tennis and expand your programs.

HIGH SCHOOL COACHES:

Provide more play and practice for your players out of season.
