

Parent & Player Information

- All players/parents should review and understand the 2017 Junior Team Tennis Fall Section Championship Rules and Regulations prior to the start of the event
- Players must use a 25" racquet or less for all 10U orange ball divisions and a 29" racquet or less for 10U green ball divisions both in USTA NorCal JTT local league and Section Championship matches.
- All parents and spectators must stay off the court during team matches
 - Do not sit/go on court during any team match
 - If you need to give something to a player during a match, only the coach can go on court and give it to the player (during changeovers only)
- Parent/Spectator coaching from the stands during matches is prohibited
 - Only the designated team coach(s) is permitted to coach players during matches
 - All eligible coaches must be cleared via the USTA Safe Play Program
 - Coaches may coach on court during changeovers only and coaching cannot occur in between individual points
- We ask all parents/spectators to cheer respectfully during the tournament, which means:
 - No cheering for opponent double faults
 - No cheering loudly or aggressively to the point of distraction
 - Parents/Spectators calling out a score or assisting with line calls while a match is in progress is prohibited
 - Parents/Spectators should not confront opposing coaches/players, before, during or after a match. Only team coaches should communicate concerns between each other
- Each player is responsible for their own match when it comes to line calls and scoring
 - Players should try to work out scoring disputes on court first before asking for help
 - If players need additional help, only their team coaches should get involved to find a solution. USTA staff can also assist as well if needed
- There are no official rankings/tournament results used for the team roster strength ladders
 - All teams submitted a line up ordered by strength based on coach evaluation
- Flight standings are determined by cumulative total games won after all 3 team matches
- **Sportsmanship** and having **Fun** are the most important aspects of this tournament
 - Please strive to ensure a player understands the basics of tennis court etiquette and is having fun with their team regardless of their individual match outcomes
 - **Each flight will have an individual sportsmanship winner based on opposing coaches nominations**

Lunch: There will be a lunch provided for all players and coach/co-captains compliments of USTA NorCal

- Lunch will be served on site **Saturday, Nov. 11th at 12pm**
- There is a café on site to purchase additional food if needed

Awards: There will be award ceremonies for each flight following the final team matches on Saturday

Thank you for supporting USTA Junior Team Tennis and good luck to all teams!
