## League Information:

**Age Requirements:** Players must be 18 years of age or older prior to registering on the team.

**Rounds of Competition:** Local League Season, Playoffs, and Sectional Championship

**Ratings:** Match data from this league will only be used toward Mixed Year-End (M) Rating calculations. If you participate in Adult 18 & Over, Adult 40 & Over and/or Adult 55 & Over, the results from Mixed leagues will not be used towards the Year-End (C) Rating.

**Exceptions to year-end (C)omputer ratings are as noted:**

Players who entered an Early Start League at an NTRP Level lower than their current year-end rating are subject to NTRP dynamic disqualification.

*2.04B(5)* Individuals who receive their third strike while participating in an Early Start League (ESL) must immediately adjust their NTRP level of play. Such players may not participate at the disqualified NTRP level in a previous year's championship for which they may have qualified.

*2.05B(3)* Early Start League players must abide by the following procedures when they receive a year-end computer rating that places them at a higher NTRP level at which they are competing:

- *2.05B3(a)* Players who are found to have valid computer ratings, after the appeal process, that place them at the clearly above level mark must immediately adjust to their new NTRP level. Prior team matches played are valid.
- *2.05B3(b)* Players who are found to have valid computer ratings, after the appeal process, that place them at a higher level at which they are competing may continue their participation at the lower NTRP level through the conclusion of any Early Start League in progress or until such other date or championship level as determined by the Section. They shall not be permitted to advance to any National Championship at the lower NTRP level. Prior team matches played are valid.

In early start leagues, players may continue their participation at the lower NTF level through the conclusion of Sectional Championships unless their year-end rating reaches the “clearly above level” mark.
