Hello Mixed 40 Players!

Yes, It is Mixed 40 Time Again!

You are receiving this email because you either captained or played in the 2017 Mixed 40 & Over league. It may feel like you just finished this league, well you did!

The Adult League Committee made a few changes to the [2018 league calendar](#) and to the format of the Adult 40 & Over league. The 2018 Mixed 40 & Over local league will be played in the fall of 2017 with playoffs and championship in 2018; registration is now open **through August 14**.

No More Early Start Ratings

We no longer use Early Start Ratings; players will use their current 2016 Year End rating to join a 2018 Mixed 40 & Over team. There are a couple of rules that apply to Early Start Leagues if your rating goes up for 2018. Please review and select your team level accordingly.

Captains, given the possibility of a team member moving up to the next rating level, consider filling your roster with a mix of rating level players. For the most flexibility, a 7.0 team can include 3.0, 3.5, and 4.0.
