Discussion

| | |
|--|------------------------|
| DISCUSSION | Sub-committees updates |
| Marian Thompson will be reaching out to Break the Barriers in Fresno this month and she will tag team with Sandy in the space. Sandy suggested a trip to observe other areas of focus during a volunteer outreach day. Christy Perez updated that the HITS booklets for the school of the blind has been received by her. There is a need to order specialty tennis balls for their program. Discussion ensued about cost of tennis balls. | |

Discussion

| | |
|--|-------------------------------|
| DISCUSSION | National and Sectional Grants |
| Discussion centered on if there are any National or Sectional grants available outside of our NorCal adaptive committee grant amount of \$5000. Christy Perez will check with both National and sectional staff to confirm grant opportunities. Christopher May brought up the possibility of a professional grant writer to locate additional grants available. | |

Discussion

| | |
|---|------------------|
| DISCUSSION | Special Olympics |
| Discussion on opening of Special Olympics to take place in July. Questions continue to center around virtual trainings and if we have anything to offer them virtually along with additional materials. | |
