2. Staff Report

- The Placer Community Tennis Association Wheelchair Tournament has been adjusted to be a one day tournament. We are requesting that the wheelchair committee conduct outreach and promote this event so that we can have more signups.
- Valley Children's Hospital Wheelchair Tennis clinic at Fresno State report. 12 children participated in the clinic. Fresno State had 4 players from their women's tennis team in attendance along with the assistant coach. Very successful collaboration with VCH and we look forward to exploring more ways to utilize the Fresno State tennis facility in the future. There is a possibility to add a wheelchair/adaptive tennis clinic on the Friday night prior to the North vs South Wheelchair Challenge.
- We are currently working with NorCal's Marketing Department to update our webpage.
- Location for North vs South Wheelchair Challenge is TBD
- The Gold River L3 Wheelchair Tournament is open and accepting registrations.

There being no further issues or discussion to come before the Committee, the meeting was adjourned at 7:48pm.
