SCRAMBLE

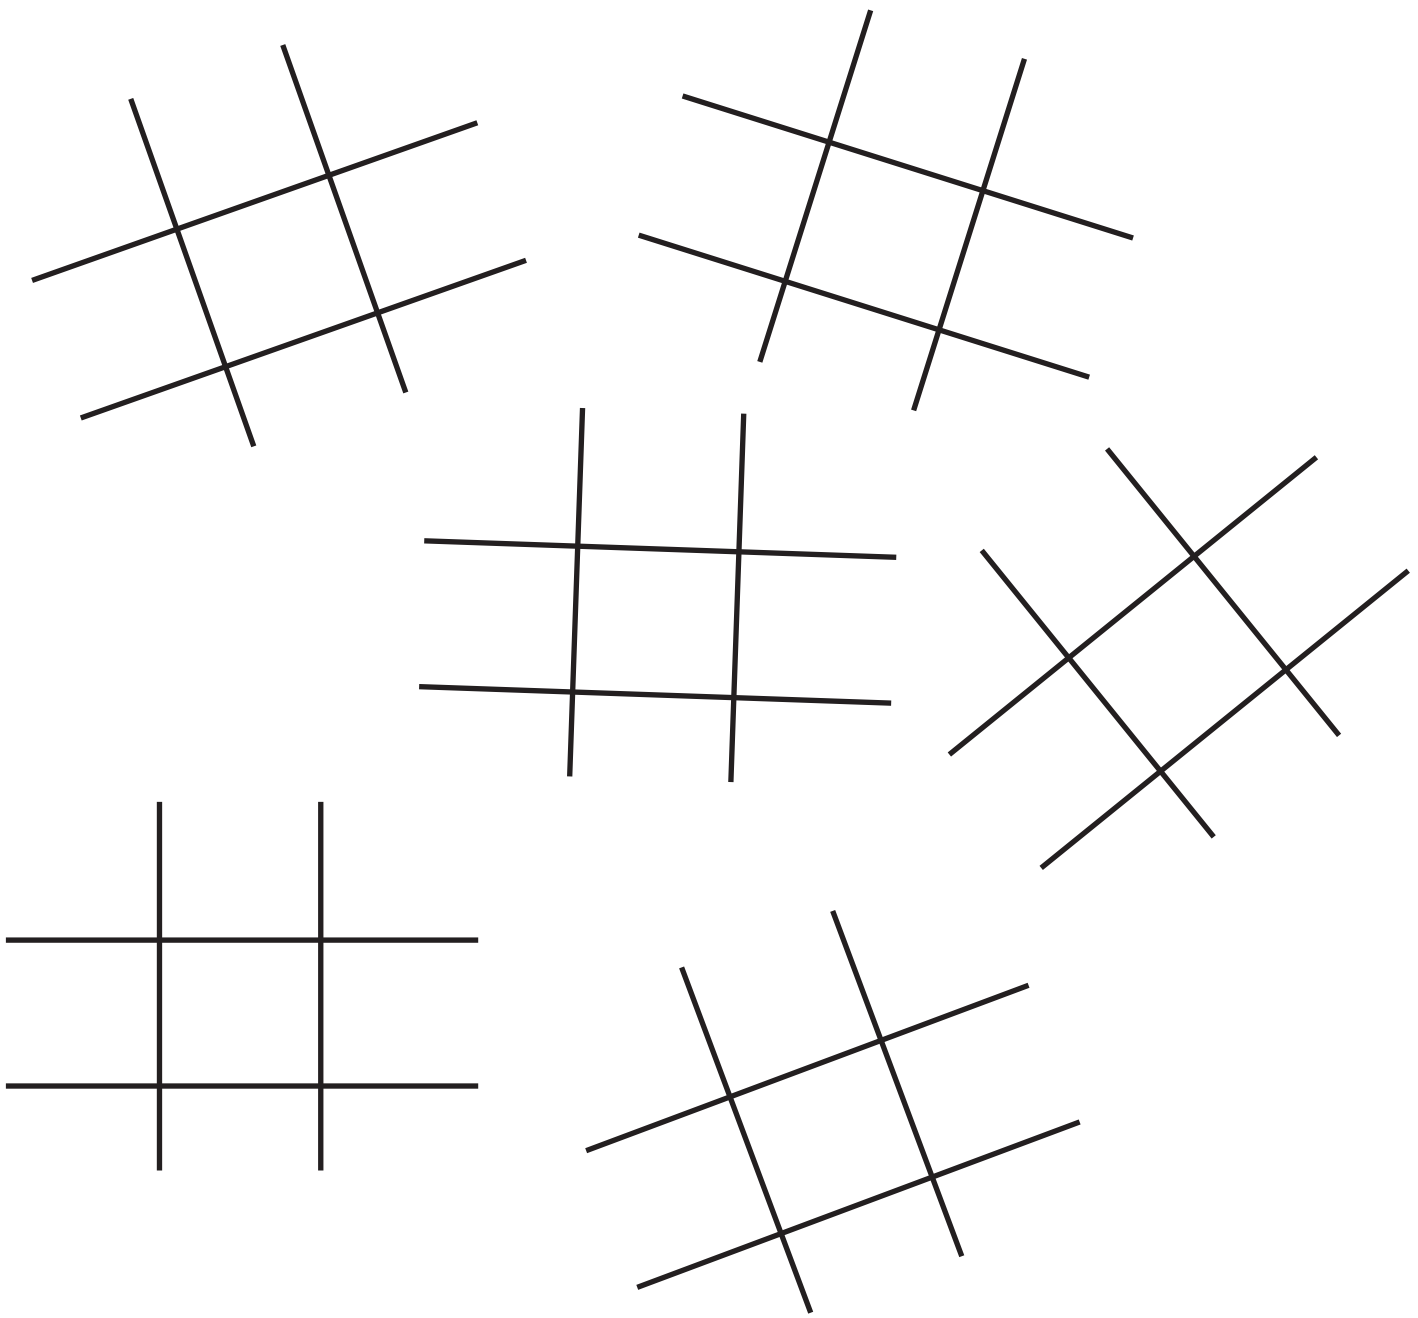

We scrambled up the names of some of the most famous tennis players of all time! Can you help us out by fixing them?

Hint: Use the numbers in each solution to unlock a secret message!

DESIGN

Take a crack at designing a new tennis-inspired t-shirt! Who knows? Maybe you'll be the next big name in clothes!

TIC-TAC-TOE

You can still have some competition even if you're not on court!
Crown the champ in your family in tic-tac-toe!

PAINT YOUR STRINGS

Lots of tennis players like to have cool logos on their racquet strings. What would you paint on yours?

We know things may seem scary and uncertain sometimes, but we're one big tennis family and we'll always have each other. Have fun with these activities and we'll see you back on court soon.
