2012 YEARBOOK

Executive Director's Message

Tennis continues to prosper in USTA Northern as the Section maintains laser-like focus on its strategic priorities which include: Community Tennis; People, Resources and Structure; Fiscal Responsibility; Diversity and Inclusion and Player Development.

Junior tournament participation was once again at an all-time high with over 12,875 registered competitors playing in more than 13,739 matches. USTA Northern had 16 players ranked in the top 100 of the nation, including **Wyatt McCoy** (Shoreview, Minn.) who was ranked #3 in the nation in Boys 18s at one point. Participation in USTA League Tennis grew 2.24% in 2011 as almost 9,000 players competed and adult tournaments grew 3.43 percent.

USTA Jr. Team Tennis continues its rapid ascent as 300 teams participated in leagues (up 21%) and 174 teams competed at Area Championships (up 14%). Thirty-one teams also used the 10 and Under Tennis format in JTT competition in '11. Fourteen teams representing eight colleges competed at the 2011 Tennis on Campus Section Championship, and USTA Northern membership rose to over 13,100 members as the USTA offered free memberships to kids ages 10 and Under in 2011.

On the court, USTA Northern excelled as the Fred Wells Tennis & Education Center Jr. Team Tennis squad placed fourth at the 18U Advanced National Championship and **Michael Schroeder** (Sioux Falls, S.D.) won the Boys Sportsmanship Award at the 18U Intermediate National Championships. **Kaleb Dobbs** (Sioux Falls, S.D.), **Gregory Wischer** (Grand Forks, N.D.), **Nikita Snezhko** (Excelsior, Minn.) and **Kavir Kumar** (Minneapolis, Minn.) won USTA Junior Regional titles, while **Alexis Nelson** (St. Paul, Minn.) won a silver ball in 14 doubles at the Winter Nationals. **Richard Martin** (Hibbing, Minn.), **Mickey Maule** (Wayzata, Minn.), **David Nash** (Bloomington, Minn.), **Jon Rydberg** (Oakdale, Minn.) and **Katie Vandenbosch** (Farmington, Minn.) represented the United States in International competition. **Bill Robertson** and his grandson **Luke** won the National Grandfather/Grandson Tournament. The Baseline Tennis Center in Minneapolis played host to the 2011 US Open Section Qualifying Tournament, the National Public Parks Championships and a USTA junior regional event, while **Rapid City, S.D.**, **Rochester, Minn.**, and **Lakeville, Minn.**, all held USTA junior regional or national events.

The Section continued to develop its tennis infrastructure as almost \$130,000 was invested in court construction and renovation projects by the USTA and USTA Northern. USTA Northern awarded almost \$9,950 in Community Tennis Grants in '11, and 35 facilities added blended lines to their courts. The city of **St. Paul, Minn.**, was named one of 21 10 and Under "Target Markets" nationally by the USTA and will receive \$75,000 over the next three years for 10 and Under tennis. An astounding 760 people attended tennis trainings in 2011, while the Section did 35 school programs and participated in 19 different diversity and community outreach initiatives. Finally, at the Annual Meeting in November, the USTA Northern organizational members approved USTA Northern merging with the Northern

Tennis Foundation and becoming an official 501 (c)(3) organization as of January 1, 2012.

In 2012, we will continue to maintain strong and transparent relations with our partners and members. Two of our Section priority programs – 10 and Under Tennis and USTA League Tennis - will take center stage this year. 10 and Under Tennis is gaining speed and a strong sense of commitment can be felt by our providers, teaching professionals, coaches and parents. This initiative is allowing our youngest tennis enthusiasts to enjoy the game more, while at the same time improving their tactical and technical skills faster.

As for our most popular adult program, USTA League Tennis, we will be busy planning for the new age restructuring which will take place starting in the fall of 2012. We are excited as this new structure has some great possibilities ensuring players of even more play opportunities and competitive matches. You'll be hearing much more about this in the months to come.

Thank you for your continued support of this great game. We look forward to serving you!

President's Message

The Mouse That Roared

USTA Northern is one of 17 Sections that comprise the USTA. Of all the Sections, we are the third smallest with just over 13,000 members out of over 775,000 members nationally. Our voting rights on issues decided at national meetings are governed by our numerical size. However, this measure in no way reflects our true influence on the USTA.

Recently, the USTA announced the winners of several prestigious national awards. On a statistical basis, USTA Northern members or organizations should receive 1.7% of the national awards rendered. So for every 100 awards given, we should have approximately two given to our Section. As a practical matter, we should receive about one award every five years.

I am pleased to report that statistics don't apply to our Section. We are what you might call an outlier. We ignore the numbers and just strive for excellence in all that we do. In 2012 alone, USTA Northern will be honored with five National awards!

Just look at who will be making the banquet tour and picking up hardware from our Section in 2012:

Fred Wells Tennis & Education Center: The Fred Wells Tennis and Education Center was named the 2011 USTA National NJTL of the Year for Level 4-5 AND the 2011 USTA Member Organization of the Year AND the 2011 Professional Tennis Registry's Public Facility of the Year! These are three incredible awards for a phenomenal organization. **Margot Willett**, her staff and Board, all make us proud of what they accomplish every day. Children's lives are being enriched through their efforts and the people who measure this have found they are a leader in this country in what they do.

The Huether Family (Mike, Cindy, and Kylie): This Sioux Falls, S.D. family has been named the winner of the Ralph Westcott Family of the Year award. I personally met this family at our Section Awards dinner last fall. I know they deserved an award for all they have done for their community. But now, they are receiving the USTA National Award for Family of the Year. Just think of how many families across the country were eligible for this honor. When everyone was looked at, our own Huether Family was determined to be the most worthy.

Sue Gregor: This Wayzata, Minn., superstar has won the Barbara Williams Leadership Award. To be considered for the award, the nominee, through her volunteering, must have shown leadership abilities and been a source of inspiration and

encouragement to others to become volunteers and assume active leadership roles in the USTA. Among many other things, Sue has served as your Northern Section President in the past. Of all the women in the country eligible for this award, Sue was deemed the winner. For those of us in the Section who have worked with Sue, it is no surprise. We are so excited that people at USTA National recognize all that Sue has done.

Sierra Halverson: This Burtrum, Minn., junior player will be one of four Bill Talbert Sportsmanship Award winners given out by the USTA. Another incredible accomplishment for Sierra and one that really makes me proud of our Section because it reflects on the values that are so important to our community.

One has to wonder: How can one small section receive so many honors from a national organization? The short answer is that some very talented people have earned it. Perhaps the deeper story is that we are blessed by values and a culture that encourages people to do great things for their community. All of these winners have something in common; they are enriching the lives of others. In the process they are making us all proud of them and the thousands of other people in our Section that have not been recognized...yet.

On behalf of the USTA Northern Board of Directors, I want to congratulate all of our award winners. USTA volunteers donate hundreds of hours to improve people's lives through tennis. I know our Board feels committed to do all we can to keep the ball rolling by working with our great staff to continue to facilitate opportunities for people to get involved in tennis. It is truly the sport of opportunity.

See you on the courts!

Jeff Bail
USTA Northern President

5. Provide the risk-tolerant environment necessary to move into new areas best able to grow and promote tennis.
6. Develop a program to identify volunteer and member value-added contributions (e.g. through their day jobs).

Fiscal Responsibility

USTA Northern cannot achieve its goals without sound financial footing from day-to-day management to long-term planning that should be in line with the strategic planning process.

6. Continuously monitor investments to protect our short-term and long-term reserves.

Diversity and Inclusion

Diversity allows us to touch “All of our Section” and Inclusion allows “All of our Section” to touch us. How we define Diversity is the collective mixture of our human and organizational assets

characterized by our similarities and differences. Inclusion is leveraging the power of diversity in a respectful environment that encourages all to participate and contribute to further our mission.

1. The Section will achieve diversity and inclusion in programs, volunteers, staff and membership that reflect the demographics of USTA Northern.
2. Encourage organizational members and partners to adopt diversity as a priority.
3. Expect that every Section leader include diversity objectives in their business planning process.
4. Build a culture that respects, values and celebrates diversity.
5. Serve as a model organization for all others who aspire to an inclusive environment.

USTA Northern is committed to, and responsible for, the development of players to be champions at all levels.

1. Support and improve junior programs, tournaments and collegiate play.
2. In collaboration with Community Tennis, increase efforts to identify outstanding young athletes and encourage them to play tennis, and nurture more players to play more often.
3. Create and maintain strategic partnerships with coaches, teaching pros and facilities to help in further development of the junior competitive player.
4. Provide ongoing education for parents, coaches and players on the USTA Northern junior tennis pathway and future collegiate opportunities.
5. Provide a pathway for USTA Northern juniors from all backgrounds to achieve the highest level of success possible.

He would spend the next 27 years as a Director of Tennis where he developed the tennis program at many Northwest clubs. While coaching, Desmond achieved great success as a player as well. He was ranked in the top five from 1968-74 in Wisconsin. When he moved back to Minnesota, he was ranked #1 in 35 & Over singles three times. Very active with the USPTA, Desmond volunteered as the head of the testing program for those who wanted to become certified. He also volunteered many hours teaching urban youth. In 1984, he was named the Northern Section USPTA Pro of the Year.

Nick Pappas

Pappas dedicated the majority of his life to the game of tennis as a player, coach, official and volunteer. He was crowned the Intramural Tennis champion at the University of Iowa and spent time at Prince George Country Club in Washington D.C. as a teaching professional from 1957-62. For 29 years, he was a tennis instructor with the Minneapolis Public Schools and Community Education where he taught school year and summer programs at 14 different schools and evening classes for Edina Community Education. Pappas was a co-founder of Minneapolis Urban Tennis and assisted with the founding of the Senior Tennis Players Club. He also served as the President of USTA Northern (1969-70) and was on the Board of Directors until 1985. He was the Tournament Director of the Aquatennial Junior Tournament for 14 years, and in 1971, he was awarded with the Ward C. Burton Junior Development Award. Pappas worked at the US Open as an official at both Forest Hills and the Billie Jean King National Tennis Center (1975-82), as well as an official at numerous local tournaments. He was a USTA volunteer for 32 years. Pappas passed away on January 23, 2012, at the age of 89.

Mary Thompson

Thompson has been a lifelong tennis teacher, player, coach, administrator and volunteer. She was the Director of Tennis at Woodlake Athletic Club from 1982-93, while also serving as the head coach of the Augustana College men's and women's tennis teams from 1985-92. In 2002, she won the Professional Tennis Registry South Dakota Member of the Year Award, the USTA Northern Wolfenson/Ratner Community Service Award, and was one of 28 people named to the USTA All-American Team. In 2003,

she was inducted into the South Dakota Tennis Hall of Fame, and in 2004, won the USTA/PTR Community Service Award. In 1991, she was named Executive Director of the Sioux Falls Tennis Association and served in that capacity for almost 20 years. Thompson was a member of the USTA Northern Board of Directors from 2000-08, including President in 2005-06. She also was the Regional Coordinator for the USTA Pilot Program called One Player At A Time, is a member of the National Public Parks Tennis Association Board of Directors and is on the USTA Northern Nominating Committee. She has won nine titles playing at the National Public Parks Tournament as well.

Greg Wicklund

Wicklund was a four-year letterwinner at the University of Minnesota where he was a Big Ten Singles Champion in 1981 and helped lead his team to its first Big Ten Championship since 1933. He went on to be an assistant coach at Minnesota from 1982-88 and helped lead the Gophers to two Big Ten Team Championships, four runner-up titles and a #9 national ranking in 1986. He was ranked first in USTA Northern in Men's Open Singles and Doubles four times. He achieved a world ranking of #482 and won the Houston Open. Wicklund has won the Northwest Tennis Association Player of the Year Award and is a two-time winner of the USPTA Player of the Year. He is currently the Tennis Director and Head Pro at the Edina Country Club and a teaching professional at Life Time Fitness - Bloomington South. One of the most highly regarded coaches in Minnesota, he has worked with many of the Section's best players over the years, and in 2010, was named the USTA Northern Frank Voigt Pro of the Year. Also an avid writer, Wicklund produced Edina Country Club's first tennis newsletter and has appeared in such publications as the *Edina Sun Current*, *Tennis Midwest*, *Service Line*, and *TennisLife Magazine*. In 2005, he won the USTA Northern Bob Larson Media Award.

South Dakota Hall of Fame

SioUX Falls teaching professional **Jeff Nelson** and former Rapid City state champion **Linda Kopriva McClanahan** were inducted into the South Dakota Tennis Hall of Fame July 24 at McKennan Park tennis complex in Sioux Falls.

Kopriva McClanahan was state high school #1 singles champion in 1974 for Rapid City Stevens, then went on to play Division I tennis for the University of New Mexico. After graduating in 1980 with a physical therapy degree, her love for tennis and interest in spinal cord injuries led to her involvement in wheelchair tennis. She helped for the Albuquerque Wheelchair Tennis Association. That led to 12 years of coaching, tournament directing and team traveling; all the while focusing on athleticism and camaraderie rather than disability.

Nelson has practically done it all - teaching and coaching tennis, running tournaments and clinics, officiating, volunteering and training tennis leaders while focusing on junior tennis development. Nelson coached University of Sioux Falls tennis teams to seven national NAIA tournaments. He was named the 2010 USTA Northern Section Jr. Team Tennis Organizer of the Year and in 2006 was the Northern Section Pro of the Year.

Linda Kopriva McClanahan and Jeff Nelson (center holding trophies) were inducted into the South Dakota Hall of Fame.

2011 USTA Northern Adult Tournament Rankings

The following criteria was used in determining the 2011 USTA Northern tournament rankings:

- All points earned in sanctioned tournaments in the 12-month period will be included in the points total
- In Men's Open Singles, players must play a minimum of four tournaments to be ranked;
- In all other divisions, two tournaments are required;
- In any division where there was only one tournament available, that tournament will be used for a ranking (with an asterisk noting such);
- Any division where all players listed on the ranking list have only played one event, those players will be included in the Year-End Ranking (with an asterisk noting such);
- The cutoff point for yearbook listing will be determined by space limitations.
