One-way traffic - players enter and leave the facility through different doors to minimize contact with other players.

St Johns RC - they will be wiping everything down between each match so even though there are 2 hrs. between matches, players need to finish after 105 minutes to give their staff time to sanitize.

Water available - when yes there is either a no-touch bottle refill or bottles available for sale.

No indicates that there is not a water filling station/fountain, but if it is at an indoor facility water is available for purchase except at LOTC.

At facilities where players are allowed to take off their masks, please wear them when you check in at the club and walk to your court. Then you can take them off.

At THPRD face shields are not allowed. All players must wear masks.

\*\* SAC -any team playing at Sunset will provide a club a list of players who will be playing at their facility at least one day in advance so that they can have their names ready for check in. If you have a last-minute substitution please email Niren Lall at [nirenall@yahoo.com](mailto:nirenall@yahoo.com) and notify the front desk when your team arrives so that the name can be added to the list.
