

2019 NJTL Kids' Day Host Site Stipend Application

Every year USTA and The USTA Foundation host Arthur Ashe Kids' Day now powered by Net Generation. It is the largest single-day, grassroots tennis and entertainment event in the world, with chart-topping music acts and today's best tennis players coming together to celebrate tennis legend and humanitarian Arthur Ashe. Hosting a Kids' Day locally gives your chapter the opportunity to create its own grassroots event for your players to be a part of. We encourage every area to work together in creating a memorable experience for all of your players. Chapters may only apply once a year for any Kids' Day stipend.

Please give a short description of the NJTL Kids' Day you will be hosting and the activities planned.
