15. **December 14** in College Station (REFEREE)
16. **December 14** in Waco (ROVING)

These FREE In-Person Workshops are a GREAT learning/sharing tool for ALL **Officials at ALL levels**. Your participation, no matter your level, will help build a Texas Strong Officiating team.

Please remember - these are mandatory to maintain or move up to the USTA level status... however, they are **not required** to stay F2 certified (Foundation 2 - base level certification) but again, highly recommended!
