

2019 NJTL Kids' Day Travel Stipend Application

Every year USTA and The USTA Foundation host Arthur Ashe Kids' Day now powered by Net Generation. It is the largest single-day, grassroots tennis and entertainment event in the world, with chart-topping music acts and today's best tennis players coming together to celebrate tennis legend and humanitarian Arthur Ashe. Attending a local Kids' Day gives your chapter the opportunity to be a part of other Texas Section grassroots events for your players to be a part of. We encourage every area to work together in creating a memorable experience for all of your players.
