

How to Find Your Ranking - 12s-18s

Challengers 12s-18s Challenger Ranking Lists are published by the Tuesday after the weekend in which Challenger tournaments were held.

There are two ranking lists associated with Challengers:

Challenger Standing List

The Challenger Standing List (formerly the ZAT Standing List) is calculated by using each player's four best Challenger point totals in a rolling 12-month period.

Challenger Qualifier List

The Challenger Qualifier List (formerly the ZAT Qualifier List) consists of qualified players who achieved the required 65 point total for that month.
