

ADDITIONAL ITEMS TO CONSIDER:

USTA TEXAS ADULT LEAGUE

Updated May 20, 2020

TEXAS LOCAL LEAGUE COORDINATORS:

- Check to see if facilities are able to host teams for League play; if so, check to see if they have any protocols that may apply at their facility that can be communicated to captains and players ahead of competition.
- Adjust scheduling to allow for ample time between matches to avoid large numbers of players congregating at the courts.

TEXAS LEAGUE CAPTAINS:

- Exchange line-ups with their phones ahead of time.
- Home Captains should check with the host facility for special protocols and to get court assignments ahead of time; Communicate court assignments to the visiting captain ahead of time to allow for special protocols and court assignments to be conveyed to players.

TEXAS LEAGUE PLAYERS:

- Each player/team provides their own tennis balls to reduce the touching of the opponents' tennis balls. Between points, players should use their racquet and foot to pick up and hit the balls to their opponents.
 - Players should strive to stay 6 feet apart from other players.
 - Spectators allowed only if they are in adherence with facility and local guidelines for physical distancing.
-
