The President's advantage

BY ROBERT RUBEL
PRESIDENT, USTA TEXAS

Presented by:
texastennishotels.com

Congratulations to all!

The Texas volunteers are back from the USTA annual meeting in Palm Desert, California and first of all I am proud to announce that Texas will host the USTA annual meeting in Dallas, March 19-22, 2010. This will be a first for Texas Tennis! We plan on showing our fellow USTA volunteers and staff a Texas size good time. Lucy Garvin, USTA President decided

to find a central location for logistical and financial reasons. I believe this is a great choice, and did I mention I live in Dallas? The presidents and delegates met on Friday the 13th of March, and there was no bad luck. The group covered various topics such as the 2009 budget and the 2010 section funding, investments and a roof feasibility update at the US Open. Other issues related to diversity, QuickStart, strategic priorities, tennis on campus, suspended players and Tennis Link and Tournament Data Management (TDM). As you can see, many issues to stay current on. This was my first annual meeting as president, and it really did feel different. It is a great honor to represent each and every one of the 50,000 members of the Texas Section.

One of the real highlights of the annual meeting was the Community Tennis Resource Fair that was coordinated by Texas Volunteer Nancy Alfano. There were numerous booths set up to educate attendees on various areas of community tennis. Including NJTL, Schools programs, USPTA, wheelchair tennis to name a few. There was also a live demonstration of Quickstart tennis with six to ten year olds, then a grudge match that included former USTA President Judy Levering and Pam Shriver! What a match. Hats off to Nancy for a great job!

Congratulations to our many national committee members, and special recognition to three Texas volunteers who chair national committees. Lee Hamilton, chair of the Diversity committee, Kathy Langer, chair of the Senior Tennis Council, and Barbara Smith, chair of the Olympic committee. Another highlight was the Sunday night tennis showdown. Our Texas squad fought hard, but was edged out by number one seed, Southern California in the second round. Just wait until next year, Frank Kelly has the team in training already!

Since this is the year book edition, I would like to congratulate all the ranked players for 2008. I understand the hard work that goes into playing the many tournaments during the year and the hours of practice getting ready. If you are one of the national ranked players, or won a gold, silver, or bronze ball, then, my previous comments are exponentially increased. Thanks for representing USTA Texas this past year. We are a strong and vibrant section because of our players, volunteers, and staff. See you around the courts!

YEAR IN REVIEW

BY KEN McALLISTER
EXECUTIVE DIRECTOR, USTA TEXAS SECTION

Presented by:

This issue of TennisLife will serve as our 2008 Texas Section Yearbook. This is our seventh year to have it included as a portion of our official magazine. We wish to say a special thank you to TennisLife Magazine for a partnership that has put us in a class by ourselves in serving Texas tennis players.

We invite you to enjoy finding last year's adult rankings, award recipient write-ups, the USPTA Texas leaders, reference lists of state-wide volunteers and programs, our current USTA Texas Section leaders, 2008 league winners, 2008 Team Tennis Youth winners, Texas Tennis Hall of Fame recipients, program descriptions, our wonderful sponsors, and pictures of happy tennis players. We strongly believe in the historic relevance and documentation of our annual award winners, rankings, volunteer leaders, and stories of each year.

So we invite you to put this on your coffee table or mantle and read at your leisure. Save your yearbooks to one place so that you may some day look back and enjoy the memories and remember why tennis is the greatest sport for youth, adults, friends, and family.

No Doom and Gloom Here

Since the boom time of the 70's and 80's, tennis has not had such resurgence as it has now. In fact, tennis is now enjoying a second boom since those days.

It started with a report from the Tennis Industry Association at the end of 2008. Tennis participation had reached a 15 year high of 26.9 million players which represented a 7% growth in one year! Frequent players are up the same 7%, but play occasions are up a significant 13% in the same period. At that time, the latest figures were that tennis was up by 30.6% from 2000 through 2007.

Then, during the USTA Annual Meeting in March, even better news about tennis growth was revealed by the Sporting Goods Manufacturer's Association. In a comparison of all of the traditional sports, tennis has outpaced its nearest competitor(Racquetball) by 32% from 2000 through 2008. Soccer and basketball showed smaller but positive growth.

- 1) The Sporting Goods Manufacturers survey show that tennis is one of only four traditional sport showing growth over the last eight years at 43% growth. Football, baseball, golf, softball, and gymnastics have all suffered a decline in participation during the same period.
- 2) Johns Hopkins research shows tennis as the leading heart-healthy sport among the same list.
- 3) An 88% growth in the sale of youth rackets from 2003 through 2008 bodes well for the future of tennis as well.

Unlike the boom of 30 years ago, our current efforts with the CTA Expansion Plan, Quickstart, and all of our other programs give us a stronger infrastructure on which to maintain the growth. Although the economic climate could have some negative effect, our sense is that tennis is a sport easy to participate in good times and bad. The details for these reports are on our website or www.usta.com.

Rick Meyers

Rick Meyers was born in Abilene, on May 14, 1958 as the son of Bitsy Meyers and the late Frank Meyers. He began playing tennis as a family activity with brothers Chip, Mike, Scott & David and sister Merlaine. While at Cooper High School in Abilene, he was inspired to teach tennis by his Coach and Mentor, Ike Groce. Coach Groce had asked a few of the good players to teach teammates due to a shortage of tennis courts. Later, Rick won the 5A State singles in 1976 with a 63-0, which is still a UIL record.

Meyers attended Texas Christian University, where he earned a B.A. degree in Marketing with a minor in Speech Communications. While at TCU, he was All-Southwest Conference for 4 years. After turning pro, he played in all 4 grand slam tournaments. Previously he had formed a pro tennis tournament event, in Abilene, that brought such players as Andre Agassi and Jim Courier to their community as a volunteer in the Texas Tennis Association and USTA, he went on to help form the current Texas Junior tournament format and ranking system.

For the past 12 years, he has written a weekly tennis column for the Abilene Reporter News. He enjoys teaching young children about tennis and seeing mature into good players and good citizens.

L to R: Lomax, Ingram, Meyers

Also, as a coach, Mr. Ingram took his TCU team to the SWC Conference championship in 1991. As an unranked team, they beat UT, which was the #6 ranked team at that time. Mr. Ingram said some of the greatest memories he has had in his career was seeing the joy on the TCU women's team members faces as they received their championship rings and watching them come together as a team. He currently enjoys reading and golf, in addition to tennis.

Mr. Ingram has a wife, Joanna, and two children. He has a daughter Katrina Ingram and a son Roland

Ingram and wife Debbie. They have 2 grandchildren, Cara Lynne and Christian Ingram.

Rhoss "Buddy" Lomax

Buddy Lomax was born in Laurel, Mississippi and has been involved in tennis since the early age of 13. After high school, he attended Tulane University on a tennis scholarship (1952-56) and was ranked in the Southern Section as a junior. While at Tulane he won three singles and doubles championships. Upon graduation from Tulane, he chose the Army as a career where he served for 33 years reaching the rank of Brigadier General. He continued to compete during his years of service at the local and state level, and retired from the Army in 1989.

Lomax began competing at a national level in 1994, reaching #4 nationally and winning the National Men's 60 Indoor Doubles Championship. He also won the National Men's 60 Hardcourt Championship in 1997 and has competed in the Von Cramm Cup and USA Britannia Cup. He has been ranked #1 in singles in Texas in each of the age groups; Open, 35, 45, 50, 55, 60, 65 and was a finalist in 2004 for the National Men's Indoor Championship. He has been selected five times to represent the United States in the ITF Cup Championship, and was ranked #1 in the National Men's category in 2004.
