The President's advantage

BY ROBERT RUBEL
PRESIDENT, USTA TEXAS

Presented by:
texastennishotels.com

Congratulations to all!

T it is spring time again, and tennis season has been in full swing for most of us for the last month or so. Whether you look forward to the new USTA league, another U.S. Open or your local mixer, I hope you will get more out of our great game in 2010 – and give

a little back at the same time. There are many ways to support our sport at the local, state and national levels, and I encourage everyone to find a way you might help out. I hope to meet many more of our Texas players in my second and final year as section president. Although we are not the largest, it does not mean we are not the best. With everyone's hard work, we will continue to keep Texas tennis at the top of the game!

In March, we hosted the USTA annual meeting in Dallas and showed our fellow volunteers a great time. We had many long committee meetings but still had time to have a Texas-sized barbeque and country western dance. A special thanks to Whistler the Steer for being nice to everyone who had their picture taken, including USTA president Lucy Garvin and ITF president Francesco Ricci Bitti sitting on the steer! They also had a mechanical bull that everyone really had a blast trying to ride. We also were able to bring back the gold, with our stellar team of Rick Meyers, Punam Kirsten, Emily Schaefer, Chad Loup and coach Frank Kelly pulling out an outstanding win in the first and probably last section "Snowdown." A 36-foot quickstart, foam-ball event, was moved indoors due to the blizzard that hit Dallas; this turned out to be the hit of the meeting. We also pulled off a win in the Wii tennis event, won by Jon Williams and Carlos Turic. Congratulations to all for competing and supporting our team.

Since this is the yearbook addition, I would like to congratulate all the ranked players for 2009 and wish everyone the best of luck in 2010. I understand the hard work that goes into playing the many tournaments during the year and the hours of practice getting ready. If you achieved a national ranking or won a gold, silver or bronze ball, a special congratulations to you.

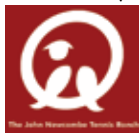

We have a special opportunity for all players this year. Arlington Tennis Center will host the U.S. Open Texas Section Pre-Qualifying tournament June 21-26. This will be the last of 16 tournaments taking place around the country, so I expect full 256-player draws for both men and women. The entries are open now and will close June 7. What a great idea – a chance to compete in the U.S. Open! I look forward to seeing you there, as I plan on competing myself! The winner from each qualifying tournament will advance to a playoff for a spot in the qualifying draw of the U.S. Open. Maybe next year we can have an event just for the veteran players.

Thanks for representing USTA Texas this past year. We continue to be a strong and vibrant section because of our players, volunteers and staff. Have a great season!

EXECUTIVE DIRECTOR, USTA TEXAS

Presented by:

Our 2010 Texas Section Yearbook. This is our ninth year to have it included as a portion of our official magazine. We wish to say a special thank you to *TennisLife Magazine* for a partnership that has put us in a class by ourselves in serving Texas tennis players.

We invite you to enjoy finding last year's adult rankings, award recipient write-ups, the USPTA Texas leaders, reference lists of state-wide volunteers and programs, our current USTA Texas leaders, 2008 league winners, 2008 Team Tennis Youth winners, Texas Tennis Hall of Fame recipients, program descriptions, our wonderful sponsors, and pictures of happy tennis players. We strongly believe in the historic relevance and documentation of our annual award winners, rankings, volunteer leaders, and stories of each year.

So we invite you to put this on your coffee table or mantle and read at your leisure. Save your yearbooks to one place so that you may some day look back and enjoy the memories and remember why tennis is the greatest sport for youth, adults, friends, and family.

Tennis Growth Continues

Since the boom time of the 70's and 80's, tennis has not had such resurgence as it has now. In fact, tennis is now enjoying a second boom since those days.

It started with a report from the Tennis Industry Association at the end of 2009. Tennis participation had reached a 25 year high of 30 million players which successfully reached the **30 by 2010** goal set over six years ago. Although frequent player numbers are not up, play occasions are. At that time, the latest figures were that tennis was up by 12% from 2008 to 2009 and 43% from 2000 through 2009.

Then, during the USTA Annual Meeting in March, even better news about tennis growth was revealed by the Sporting Goods Manufacturer's Association. In a comparison of all of the traditional sports, tennis is the *only* growth sport of all the traditional sports. Except for Racquetball at 2%, the Sporting Goods Manufacturers survey show that tennis is the only sport showing growth over the last nine years at 43% growth. Football, baseball, golf, softball, basketball, and gymnastics have all suffered a decline in participation during the same period.

Johns Hopkins research shows tennis as the leading heart-healthy sport among the same list. An 88% growth in the sale of youth rackets from 2003 through 2008 bodes well for the future of tennis as well.

Unlike the boom of 30 years ago, our current efforts with the CTA Expansion Plan, Quickstart, and all of our other programs give us a stronger infrastructure on which to maintain the growth. Although the economic climate could have some negative effect, our sense is that tennis is a sport easy to participate in good times and bad. The details for these reports are on our website or www.usta.com.

Keith Diepraam

Keith Diepraam did not start playing tennis until the age of 15 when he transferred to Glenwood High School in Durban, South Africa. He was selected to play in the Davis Cup in 1963 for South Africa and played in over 34 Davis Cup matches. Keith was classified as an amateur until Professional tennis would open in 1970. It was during this time that he would win against Arthur Ashe, play in the Davis Cup for his country and reach the quarterfinals at Wimbledon in both Singles and Doubles in 1965. He was ranked #1 in the World in the 45's in 1988. In 1973, he became the director of the tennis program in Midland and taught for seven years before heading to Houston to take a position at the Sugarcreek Country Club, where he worked until his retirement in 2009. In the mid 1970's, the Houston Tennis Association recruited many volunteers and Harriett was a perfect match. While raising her four children, she began her lengthy tenure with the HTA by volunteering to run junior tournament sites and serving as the President for two years. In 1984, she would accept the position of assistant executive director, a position she would continue to hold until 1986 when she assumed full responsibility for the HTA as its

Executive Director, a position she would hold until her retirement in 2007. Harriett has also served USTA Texas for twenty plus years and has received numerous awards including the HTA Sampson Award, W. T.
