Accounts for junior players 13 years old & younger must be linked to a Parent/Guardian's account. If the parent does not already have a USTA number, the parent needs to create their own ID first using these same instructions below.

2. Click on the red "Login" button in the top righthand corner of the screen
3. Click on the **LOWER** blue "Create Account" button on the righthand side of the screen under:

Do you play in a USTA program (team tennis, USTA flex leagues, Tournaments) without a USTA Membership?

4. Check the box, "I am new to Tennis Link and want to create a new account"
5. Click "Next"
6. Enter **your information** on the "Create a USTA Account Profile" page
7. Click "Next"
8. Complete your USTA Account Profile page and click "Next"
