

How to Get Started

How do I start using the Court Time Scholarship Program (CSP)?

The start date was January 31, 2016 so you can start using the program after this date. The end date is when we use up our budget for the Pilot Program. All players will be notified when this happens. Please read our player program summary [CTJHPPP Court Time Scholarship Program](#) and FAQs carefully [CTJHPPP Frequently Asked Questions](#).

If you received an email with acceptance in the program you are in and you do not need to complete the Player Identification Questionnaire. Please reply to the email as a courtesy so that we know you received it.

Simply play at a participating USTA CT Org member club [List of USTA CT Organizational Members](#), scan or take a photo of your receipt from the club. Email the receipt with the date, names of the players and club to CTJHPPP@GMAIL.COM. If you would like the contact information of a player who you might want to play with please email CTJHPPP@GMAIL.COM.
